The Gap Year by Bird, Sarah

Sarah Bird's latest novel, *The Gap Year*, is a must-read for anyone who loves mother-daughter stories. Cam Lightsey, a lactation consultant in the homogenous world of Texan suburbia, is attempting to prepare her daughter Aubrey for the next step after high school. The pushing-from-the-nest does not exactly go as planned, which Bird reveals through two simultaneously unfolding storylines.

Sarah Bird found out the hard way that writing a novel about empty nesters and their kids made her an expert. Sarah Bird Updated Jul. 13, 2017 8:06PM ET / Published Aug. 08, 2011 4:42PM ET

Sarah Bird novel 'The Gap Year' Hits a Nerve With Empty ...

"*The Gap Year*" is a delight. It's so rare to find a book that gets both sides of a story right--a mother and her teenage daughter in an eventful year. It's funny, and sad, and most of all very true. You may think you know where the story is going, but you don't. If you don't know Sarah Bird's books, this is a good place to start.

The Gap Year - Kindle edition by Bird, Sarah. Literature ...

Sarah Bird is an American novelist, screenwriter, and journalist. She was born in 1949 in Ann Arbor, Michigan. Her father was an officer in the US Air Force, and her family (a "Catholic family of eight"), including her mother, Colista Bird, travelled with him around the US and the world during her childhood. Sarah's mother recognized signs of her daughter's creative storytelling talent as young ...

THE GAP YEAR by Sarah Bird | Kirkus Reviews

The Gap Year Sarah Bird Traditionally, a gap year is a year taken by a young adult after secondary school and before starting college. However, in Bird's latest novel, the title alludes to the break in a mother-daughter relationship during the daughter's senior year of high school. The Gap Year by Sarah Bird - Goodreads "The Gap Year" is a delight.

In Albuquerque, New Mexico, two young women become entranced by young flamenco guitarist Tomâas Montenegro and decide to dedicate themselves to the disciplines and demands of the university's flamenco academy.

Happily entering Austin high society after marrying into a family that made her sign a strict prenuptial agreement, Blythe Young is dumped ten years later for another woman and is forced to take refuge at a housing co-op, where she reunites with the college roommate she had abandoned. Reprint.

"You'll be swept away by the passion and power of this remarkable, trailblazing woman who risked everything to follow her own heart." – Kristin Hannah, #1 New York Times bestselling author "An epic page-turner." – Christina Baker Kline Named Best Fiction Writer in the Austin Chronicle's "Austin's Best 2018" Named one of Lone Star Literary Life's "Top 20 Texas Books of 2018" The compelling, hidden story of Cathy Williams, a former slave and the only woman to ever serve with the legendary Buffalo Soldiers. "Here's the first thing you need to know about Miss Cathy Williams: I am the daughter of a daughter of a queen and my mama never let me forget it." Though born into bondage on a "miserable tobacco farm" in Little Dixie, Missouri, Cathy Williams was never allowed to consider herself a slave. According to her mother, she was a captive, destined by her noble warrior blood to escape the enemy. Her chance at freedom presents itself with the arrival of Union general Phillip Henry "Smash 'em Up" Sheridan, the outcast of West Point who takes the rawboned, prideful young woman into service. At war's end, having tasted freedom, Cathy refuses to return to servitude and makes the monumental decision to disguise herself as a man and join the Army's legendary Buffalo Soldiers. Alone now in the ultimate man's world, Cathy must fight not only for her survival and freedom, but she also vows to never give up on finding her mother, her little sister, and the love of the only man strong enough to win her heart. Inspired by the stunning, true story of Private Williams, this American heroine comes to vivid life in a sweeping and magnificent tale about one woman's fight for freedom, respect and independence.

Sarah Bird's gutsy, sharp, and touching new novel opens at full speed. Bernadette "Bernie" Root, military brat, speaks. She has never really noticed what a peculiar bunch of nomads her eight-member Air Force family is (with the exception of her Post Princess sister, Kit), until the summer after her first year of college when she joins them at their new assignment: Kadena Air Base, Okinawa. Just as Okinawa turns out to be a sorry version of the Japanese paradise Bernie knew in her childhood at Yokota Air Base, her family, especially her once-beautiful mother, Moe, and her former spy-pilot father, Mace, seems to have been in decline since those glory days of the American Raj. Days when her mother was happy and their best friend, Fumiko, now lost to them, was the family's maid. The worst part of Okinawa for Bernie, though, is realizing how perfectly she fits with her oddball family and how badly she needs to get out. So when a dance contest first prize, a trip to Japan, offers a chance to escape, she takes it, playing second banana to a third-rate comedian on a tour of Japan's military bases. At their grand finale at the Yokota Officers' Club, Fumiko finally reappears, and Bernie discovers the terrible price that is paid when the secrets nations hide end up buried within families. A brilliantly appealing novel whose energy, wit, and feeling have won for it (see back of the jacket) extraordinary advance praise.

A paperback book of comic female friendship and solidarity set against a backdrop of collegiate lowlife.

A single mom and her seventeen-year-old daughter learn how to let go in that precarious moment before the latter goes off to college.

A young surrogate mother attempts to make an ordered world for her child as she wanders through the maze of trendy yuppiedom to the treacherous waters of her relations with her old love, Sinclair

No one writes about Italian-American families with the humor, warmth, and heart of Peter Pezzelli. Now, with *Francesca's Kitchen*, he delivers another winning novel about how much we need the closeness of family--even if we don't know it. Where There's Food, There's Family For years, Francesca Campanile was the queen of her home. Standing in her Rhode Island kitchen, making sauce from sun-ripened tomatoes, dropping in basil from her garden, and adding fresh onion, Francesca dispensed advice as liberally as she did the garlic, arguing nonstop with her son and two daughters. It was wonderful. But now, her children and their children have moved away. And for the widowed Francesca, no longer having a family around to pester, annoy, guide, love, harangue and, of course, cook for, makes her feel useless. Who is she without them? What she needs is another family that needs her, and when she sees Loretta Simmons's ad in the Providence paper for a part-time nanny, she's sure she's found it. All the single mom wants is someone to fill in for a few hours a day. But it's obvious to Francesca that Loretta and her kids need more--a lot more. Loretta's struggling to make ends meet. Every man she brings home is a disaster. And her kids could definitely use some guidance--and a little lasagna, frankly. In these frazzled, disconnected people, Francesca senses a hunger and loneliness as deep as her own. It's time for Francesca to work her magic--if she can--and the best place to start is the kitchen. . . Funny and moving, with a heroine to adore, *Francesca's Kitchen* is a delicious story about sharing love, life, advice, and, above all, food. Peter Pezzelli was born and raised in Rhode Island. A graduate of Wesleyan University, he lives with his wife, two children and their dog in Rhode Island where, most days, he is busy at work on his next novel. Every Sunday, however, if he's not riding his bike, you'll find him and his family at the dinner table, enjoying a plate of raves and sausage, or a nice fritatta, or some other favorite Italian dish cooked up by his wife. Praise for the Novels of Peter Pezzelli Every Sunday "A sweet, brave, and funny novel--with a heart as big as the entire state of Rhode Island." --Claire Cook, author of *Must Love Dogs Home To Italy* A BookSense Pick! "A beautiful novel. . .Peter Pezzelli captures the warmth of Italy--family, friendships, and food--invites us into the world of his wonderful characters, and takes us full circle on a journey of life and love." --Luanne Rice, New York Times bestselling author "Bighearted and wise, *Home to Italy* is a charming ode to the romance of new beginnings and the Italian gusto for life. Peter Pezzelli's tale of a widower who returns to his childhood town in Abruzzo to rebuild his life, only to be struck by the legendary thunderbolt of love, is a continuous delight."--Louisa Ermelino, author of *Joey Dee Gets Wise* "With heartwarming touches of humor, *Home to Italy* reaffirms that life can always be renewed. This is a wonderfully satisfying romance that brings to life the sights, sounds and tastes of Italy." --Romantic Times "A warmhearted novel, perfect for an autumn evening in front of the fire." --Litchfield Enquirer

Instant New York Times Bestseller "The Guest Book is monumental in a way that few novels dare attempt." —The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake *A lifetime of secrets. A history untold. No. It is a simple word, uttered on a summer porch in 1936. And it will haunt Kitty Milton for the rest of her life. Kitty and her husband, Ogden, are both from families considered the backbone of the country. But this refusal will come to be Kitty's defining moment, and its consequences will ripple through the Milton family for generations. For while they summer on their island in Maine, anchored as they are to the way things have always been, the winds of change are beginning to stir. In 1959 New York City, two strangers enter the Miltons' circle. One captures the attention of Kitty's daughter, while the other makes each of them question what the family stands for. This new generation insists the times are changing. And in one night, everything does. So much so that in the present day, the third generation of Miltons doesn't have enough money to keep the island in Maine. Evie Milton's mother has just died, and as Evie digs into her mother's and grandparents' history, what she finds is a story as unsettling as it is inescapable, the story that threatens the foundation of the Milton family myth. Moving through three generations and back and forth in time, *The Guest Book* asks how we remember and what we choose to forget. It shows the untold secrets we inherit and pass on, unknowingly echoing our parents and grandparents. Sarah Blake's triumphant novel tells the story of a family and a country that buries its past in quiet, until the present calls forth a reckoning.*
