But the show's superb curators, Stephanie D'Alessandro and Matthew Gale ... parts of figures on folded paper and leaving traces of outline for others to continue. The show features an ...

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

You love God. You long to know Him more intimately, to see Him face to face. Now is the time to dig deeper into the Scriptures, to see the Bible come alive for you: chapter by chapter, sentence by sentence, word by word. Written by forty-eight leading Bible scholars, this powerful handbook walks you through the entire text of the Old and New Testaments (primarily in the KJV). From the majestic Genesis account of all the Creator brought into being to Christ's words at the end of Revelation ('Yea, I come quickly...'), you'll find insights to help you wrap your heart and mind around God's Word in the pages of The Wycliffe Bible Commentary. **INCLUDES BONUS MATERIAL:** Commentary on Romans from The Moody Bible Commentary. Michael Vanlaningham, professor of New Testament at Moody Bible Institute, introduces Romans and then takes you through it verse-by-verse. Known as Paul's most thorough treatment on Christian doctrine, Romans explores sin, faith, and God's redemptive purposes for the world in Jesus. Familiarity with this famous letter is indispensable for growth and maturity in your Christian faith.

The first four books of what is commonly referred to as the New Testament are The Gospel according to Matthew, The Gospel according to Mark, The Gospel according to Luke, and The Gospel according to John. The reader will find many of the same stories told in each of the gospels but from a different point of view according to the author. The reader will notice specific and comparable attention to detail from each author's gospel. A Detailed Outline to Matthew, Mark, Luke, and John was written to guide and help the reader understand the order of events during this era. The purpose of this outline is to help the reader identify the main points of each of the gospels, thereby enabling the reader to gain revelation as they study. Dr. Leland McClanahan has done an outstanding job in summarizing the main points of each book and putting it in a format that is easy to follow along.

Translated by Rosemary Selle The work of one of the world's foremost New Testament scholars, Ulrich Luz, this book gathers eighteen penetrating studies of Matthew's Gospel, available here in English for the first time. Luz's groundbreaking work ranges widely over the critical issues of Matthean studies, including the narrative structure and sources of the Gospel and its presentation of such themes as christology, discipleship, miracles, and Israel. Several chapters also outline and demonstrate the hermeneutical methods underlying Luz's acclaimed commentary on Matthew, for which this book can serve as a companion. Luz is particularly conscious of the Gospel's reception history, a history of interpretation connecting us with the past that determines so many of our questions, categories, and values. Studies in Matthew thus constitutes a noteworthy contribution to biblical hermeneutics as well as to exegesis.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Sermon on the Mount, one of the most influential portions of the Bible, is the most studied and commented upon portion of the Christian Scriptures. Every Christian generation turns to it for insight and guidance. In this volume, a recognized expert on the Gospels shows that the Sermon on the Mount offers a clear window into understanding God's work in Christ. Jonathan Pennington provides a historical, theological, and literary commentary on the Sermon and explains how this text offers insight into God's plan for human flourishing. As Pennington explores the literary dimensions and theological themes of this famous passage, he situates the Sermon in dialogue with the Jewish and Greek virtue traditions and the philosophical-theological question of human flourishing. He also relates the Sermon's theological themes to contemporary issues such as ethics, philosophy, and economics.

This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables, charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that

illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James
