As the menacing thunder of war drums heralds the arrival of the demons and their brutal minions in Seattle, the young survivors who call themselves the Ghosts are forced to brave the dangerous world of gangs, mutants, and worse to escape the invasion. Meanwhile, Angel Perez has joined an equally urgent mission: to find the Ellcrys, a fabled talisman crucial to protecting the Elven realm against an influx of unspeakable evil from the dread dimension known as the Forbidding. But Angel and her Elf allies must beware—for a demon spy, with a monstrous creature at its command, walks among them. As the legions of darkness draw the noose tighter, and the time of confrontation draws near, those chosen to defend the soul of the world must draw their battle lines and prepare to fight with, and for, their lives. If they fail, humanity falls. **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.
