On a dark evening in November 1862, a cheap coffin is buried in eerie silence. There are no lamentations or panegyrics, for the British Commissioner in charge has insisted, 'No vesting will remain to distinguish where the last of the Great Mughals rests.' This Mughal is Bahadur Shah Zafar II, one of the most tolerant and likeable of his remarkable dynasty who found himself leader of a violent and doomed uprising. The Siege of Delhi was the Raj's Stalingrad, the end of both Mughal power and a remarkable culture.

Winner Of The Duff Cooper Prize For History 2007 Bahadur Shah Zafar II, The Last Mughal Emperor, Was A Mystic, A Talented Poet, And A Skilled Calligrapher, Who, Though Deprived Of Real Political Power By The East India Company, Succeeded In Creating A Court Of Great Brilliance, And Presided Over One Of The Great Cultural Renaissances Of Indian History. In 1857 It Was Zafar S Blessing To A Rebellion Among The Company S Own Indian Troops That Transformed An Army Mutiny Into The Largest Uprising The British Empire Ever Had To

The stroke of midnight on 15 August 1947 liberated 400 million Indians from the British Empire. One of the defining moments of world history had been brought about by a tiny number of people, including Jawaharlal Nehru, the fiery prime minister-to-be; Gandhi, the mystical figure who enthralled a nation; and Louis and Edwina Mountbatten, the glamorous but unlikely couple who had been dispatched to get Britain out of India without delay. Within hours of the midnight chimes, however, the two new nations of India and Pakistan would descend into anarchy and terror. INDIAN SUMMER depicts the epic sweep of events that ripped apart the greatest empire the world has ever seen, and reveals the secrets of the most powerful players on the world stage: the Cold War conspiracies, the private deals, and the intense and clandestine love affair between the wife of the last viceroy and the first prime minister of free India. With wit, insight and a sharp eye for detail, Alex von Tunzelmann relates how a handful of people changed the world for ever.

An absorbing, authentic and exemplary chronicle – studded with rare nuggets of information and enthralling anecdotes – of one of the most tragic figures of history who was witness to the end of a glorious dynasty First published in Urdu in 1986, this 'labour of love' brings alive the life and poetry of Bahadur Shah Zafar (1775 to 1862), the last Mughal Emperor. Zafar presided over a crucial period in Indian history when the country was subjugated and became a colony of the fast-expanding British Empire. Aslam Parvez's account – with its wealth of detail – stands out in the manner in which it weaves together the strands of the political, the personal, the cultural and the literary aspects of a bygone era. This work is as much about the 1857 Rebellion as it is about Bahadur Shah Zafar, the reluctant leader of the rebels. The pages also evoke the captivating ambience of a period when formidable poets such as Mirza Ghalib, Sheikh Muhammad Ibrahim Zauq and Momin Khan Momin, apart from Zafar himself, came up with one creative gem after another. The author also provides a vivid and fascinating picture of Delhi during the last days of its cultural and literary splendour as the Mughal capital and as a custodian of Urdu literature and poetry. Finally, he recounts, in a touching manner, how Zafar spent his last days in Rangoon (where he had been exiled by the British) – a lonely and forgotten individual – far away from his beloved Delhi and from the trappings of his empire.

It Is Hard To Imagine Anyone Succeeding More Gracefully In Producing A Balanced Overview Than Abraham Eraly William Dalrymple, Sunday Times, London In The Mughal World Abraham Eraly Continues His Fascinating Chronicle Of The Grand Saga Of The Mughal Empire. In Emperors Of The Peacock Throne He Gave Us The Story Of The Lives And Achievements Of The Great Mughal Emperors; In This Book, He Looks Beyond The Momentous Historical Events To Portray, In Precise And Vivid Detail, The Agony And Ecstasy Of Life In Mughal India. Combining Scholarly Objectivity With Artful Storytelling The Author Presents A Lively Panorama Of The Mughal World Emperors And Nobles At Work And Play; Harem Life; The Profligacy And Extravagance Of The Ruling Class Juxtaposed With The Stark Wretchedness Of The Common People. Meticulously Researched And Lucidly Narrated The Mughal World Offers Rare Insights Into The State Of The Empire S Economy, Religious Policies, The Mughal Army And Its Tactics, And The Glories Of Mughal Art, Architecture, Literature And Music.

James Achilles Kirkpatrick landed on the shores of eighteenth-century India as an ambitious soldier of the East India Company. Although eager to make his name in the subjection of a nation, it was he who was conquered—not by an army but by a Muslim Indian princess. Kirkpatrick was the British Resident at the court of the Nizam of Hyderabad when in 1798 he glimpsed Khair un-Nissa—'Most Excellent among Women'—the great-niece of the Nizam's Prime Minister. He fell in love with Khair, and overcame many obstacles to marry her—not least of which was the fact that she was locked away in purdah and engaged to a local nobleman. Eventually, while remaining Resident, Kirkpatrick converted to Islam, and according to Indian sources even became a double-agent working for the Hyderabadis against the East India Company. Possessing all the sweep of a great nineteenth-century novel, *White Mughals* is a remarkable tale of harem politics, secret assignments, court intrigue, religious disputes and espionage.

Finalist for the Cundill History Prize ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY The Wall Street Journal and NPR "Superb ... A vivid and richly detailed story ... worth reading by everyone." -The New York Times Book Review From the bestselling author of *Return of a King*, the story of how the East India Company took over large swaths of Asia, and the devastating results of the corporation running a country. In August 1765, the East India Company defeated the young Mughal emperor and set up, in his place, a government run by English traders who collected taxes through means of a private army. The creation of this new government marked the moment that the East India Company ceased to be a conventional company and became something much more unusual: an international corporation transformed into an aggressive

colonial power. Over the course of the next 47 years, the company's reach grew until almost all of India south of Delhi was effectively ruled from a boardroom in the city of London. The Anarchy tells one of history's most remarkable stories: how the Mughal Empire-which dominated world trade and manufacturing and possessed almost unlimited resources-fell apart and was replaced by a multinational corporation based thousands of miles overseas, and answerable to shareholders, most of whom had never even seen India and no idea about the country whose wealth was providing their dividends. Using previously untapped sources, Dalrymple tells the story of the East India Company as it has never been told before and provides a portrait of the devastating results from the abuse of corporate power. Bronze Medal in the 2020 Arthur Ross Book Award

A Buddhist monk takes up arms to resist the Chinese invasion of Tibet - then spends the rest of his life trying to atone for the violence by hand printing the best prayer flags in India. A Jain nun tests her powers of detachment as she watches her best friend ritually starve herself to death. Nine people, nine lives; each one taking a different religious path, each one an unforgettable story. William Dalrymple delves deep into the heart of a nation torn between the relentless onslaught of modernity and the ancient traditions that endure to this day. LONGLISTED FOR THE BBC SAMUEL JOHNSON PRIZE
