An anthology of nonfiction writings features contributions by Malcolm Gladwell, Chuck Klosterman, Bill Buford, Susan Orlean, David Foster Wallace, and others on topics ranging from teenage white collar criminals and Saddam Hussein to the drunken British soccer culture.

A collection of stories—some well known, some more obscure— capturing some of the best storytelling of this golden age of nonfiction. An anthology of the best new masters of nonfiction storytelling, personally chosen and introduced by Ira Glass, the producer and host of the award-winning public radio program This American Life. These pieces—on teenage white collar criminals, buying a cow, Saddam Hussein, drunken British soccer culture, and how we know everyone in our Rolodex—are meant to mesmerize and inspire.

A lively, inside look at how Bollywood, Turkish soap operas, and K-Pop are challenging America’s cultural dominance around the world.

In the jungles of Khyrei, an escaped slave seeks vengeance and finds the key to a savage revolution. In the drought-stricken Stormlands, the Twin Kings argue the destiny of their kingdom: one walks the path of knowledge, the other treads the road to war. Beyond the haunted mountains King Vireon confronts a plague of demons bent on destroying his family. With intrigue, sorcery, and war, Seven Kings continues the towering fantasy epic that began with Seven Princes.

Sulian ap Gwien, a powerful woman warrior, joins King Urdo, the legendary lord of Caer Tanaga in order to help him unite the realm, and quickly finds herself becoming one of the King’s most trusted allies. A first novel. **Reprint.**

Given the chance to train as a squire, kitchen servant Achan Cham hopes to pull himself out of his pitiful life and become a Kingsguard Knight. When Achan’s owner learns of his training, he forces Achan to spar with the Crown Prince—more of a death sentence than an honor. Meanwhile, strange voices in Achan’s head cause him to fear he’s going mad. While escorting the prince to a council presentation, their convoy is attacked. Achan is wounded and arrested, but escapes from prison—only to discover a secret about himself he never believed possible.

“There is a vast cultural movement emerging from the global South and sweeping all before it. India’s Shah Rukh Khan, after all, is the most popular actor in the world. Bollywood, Turkish soap operas called dizi, K-pop and other aspects of Eastern pop culture are international in their range and allure and the biggest challenger yet to America’s soft power monopoly since the end of World War II. Bestselling author Fatima Bhutto’s new book is about these new kings of popular entertainment in the twenty-first century.” --

"In vivid detail... examines the little-known history of two extraordinary dynasties."--The Boston Globe "Not just a brilliant, well-researched, and highly readable book about China's past, it also reveals the contingencies and ironic twists of fate in China's modern history."--LA Review of Books An epic, multigenerational story of two rival dynasties who flourished in Shanghai and Hong Kong as twentieth-century China surged into the modern era, from the Pulitzer Prize-winning journalist The Sassoons and the Kadoories stood astride Chinese business and politics for more than one hundred seventy-five years, profiting from the Opium Wars; surviving Japanese occupation; courting Chiang Kai-shek; and nearly losing everything as the Communists swept into power. Jonathan Kaufman tells the remarkable history of how these families ignited an economic boom and opened China to the world, but remained blind to the country's deep inequality and to the political turmoil on their doorsteps. In a story stretching from Baghdad to Hong Kong to Shanghai to London, Kaufman enters the lives and minds of these ambitious men and women to forge a tale of opium smuggling, family rivalry, political intrigue, and survival.

A group of survivalists are ready for the undead apocalypse, but no amount of disaster prep could anticipate what ’ s next in this zombie thriller. When the H1N1 " Swine Flu " virus mutates it begins to not only kill those who have received the vaccination, but also bring on the unthinkable: the dead reanimate. Cole Helman and his friends are not only survival experts, they ’ ve spent hours discussing and preparing for just this event. Now they ’ re heading to the hills before the cities become clogged with looting and riots. But the group knows all too well that the living dead are just the beginning of their problems, and they ’ ll eventually have to deal with the selfishness and cruelty of the living in this new post-apocalyptic world. And a chance encounter at a secret military installation may reveal a conspiracy bigger than any of them had imagined...
