A lean, fleet-footed translation that recaptures Homer's "nimble gallop" and brings an ancient epic to new life.

A New York Times Notable Book of 2018 "Wilson's language is fresh, unpretentious and lean...It is rare to find a translation that is at once so effortlessly easy to read and so rigorously considered." —Madeline Miller, author of Circe Composed at the rosy-fingered dawn of world literature almost three millennia ago, The Odyssey is a poem about violence and the aftermath of war; about wealth, poverty and power; about marriage and family; about travelers, hospitality, and the yearning for home. This fresh, authoritative translation captures the beauty of this ancient poem as well as the drama of its narrative. Its characters are unforgettable, none more so than the "complicated" hero himself, a man of many disguises, many tricks, and many moods, who emerges in this version as a more fully rounded human being than ever before. Written in iambic pentameter verse and a vivid, contemporary idiom, Emily Wilson's Odyssey sings with a voice that echoes Homer's music; matching the number of lines in the Greek original, the poem sails along at Homer's swift, smooth pace. A fascinating, informative introduction explores the Bronze Age milieu that produced the epic, the poem's major themes, the controversies about its origins, and the unparalleled scope of its impact and

influence. Maps drawn especially for this volume, a pronunciation glossary, and extensive notes and summaries of each book make this is an Odyssey that will be treasured by a new generation of readers.

'The Odyssey is a poem of extraordinary pleasures: it is a salt-caked, storm-tossed, wine-dark treasury of tales, of many twists and turns, like life itself' Guardian The epic tale of Odysseus and his ten-year journey home after the Trojan War forms one of the earliest and greatest works of Western literature. Confronted by natural and supernatural threats - ship-wrecks, battles, monsters and the implacable enmity of the sea-god Poseidon - Odysseus must use his bravery and cunning to reach his homeland and overcome the obstacles that, even there, await him. E. V. Rieu's translation of The Odyssey was the very first Penguin Classic to be published, and has itself achieved classic status. Translated by E. V. RIEU Revised translation by D. C. H. RIEU With an Introduction by PETER JONES

Presents the classic poem concerning the wanderings of the hero Odysseus and his miraculous return to Ithaca and a faithful wife

Homer's great epic The Odyssey—one of Western literature's most enduring and important works—translated by Richmond Lattimore A classic for the ages, The Odyssey recounts Odysseus' journey home after the Trojan War—and the obstacles he faces along the way to reclaim his throne, kingdom, and family in Ithaca. During his absence, his steadfast and clever wife, Penelope, and now teenaged son, Telemachus, have lived under the constant threat of ruthless suitors, all desperate to court Penelope and claim the throne. As the suitors plot Telemachus' murder, the gods debate Odysseus' fate. With help from the goddess Athena, the scattered family bides their time as Odysseus battles his way through storm and shipwreck, the cave of the Cyclops, the isle of witch-goddess Circe, the deadly Sirens' song, a trek through the Underworld, and the omnipresent wrath of the scorned god Poseidon. An American poet and classicist, Richmond Lattimore's translation of The Odyssey is widely considered among the best available in the English language. Lattimore breathes modern life into Homer's epic, bringing this classic work of heroes, monsters, vengeful gods, treachery, and redemption to life for modern readers.

Colonel T.E. Lawrence was one of the most flamboyant figures of his era, known throughout the Western world as Lawrence of Arabia. Glory-seeking yet self-effacing, this soldier, archaeologist, spy, and scholar was a war hero whom Winston Churchill called "one of the greatest men of our time." Less well known were his abilities as historian and author, which won him the admiration of such writers as Ezra Pound, W.H. Auden, and Robert Graves. While stationed on a desolate R.A.F. outpost on the fringes of the Karachi desert in India, Lawrence began his acclaimed translation of The Odyssey. He devoted himself to the project for four years, and during that time he came to feel that he was uniquely suited to the task. "I have hunted wild boars and watched wild lions," he wrote. "Built boats and killed many men. So I have odd knowledges that qualify me to understand The Odyssey, and odd experiences that interpret it to me." Relying on an innate sense of language and truly gifted abilities at translation, Lawrence transformed Homer's Odyssey

## Get Free The Odyssey Translated By E V Rieu

into mellifluous prose. The result was an overnight bestseller. The New York Herald Tribune hailed it "perhaps the most interesting translation of the world's most interesting book," and The New York Times called it "ruggedly and roughly masculine" and added that it "gives a vividness to the story beyond any other text familiar to us." Lawrence breathes new life into the adventures of Odysseus, smoothing the reader's path through a fantastic array of monsters, temptresses, gods, and goddesses. For a generation of readers accustomed to verse translations of Homer, this bold and vivid prose version is well worth rediscovery.

A brilliant new version of the Odyssey from one of the most accomplished translators of our time. "Sing to me, Muse . . ." It has been said that a myth is a story about the way things never were but always are. The Odyssey is the original hero's journey, an epic voyage into the unknown, and has inspired other creative work for millennia—from ancient poetry to contemporary fiction and films. With its consummately modern hero, full of guile and wit, always prepared to reinvent himself in order to realize his heart's desire—to return to home and family after ten years of war—the Odyssey now speaks to us again across 2,600 years. In words of great poetic power, Stephen Mitchell's translation brings Odysseus and his adventures vividly to life as never before. Full of imagination and light, beauty and humor, this Odyssey carries you along in a fast stream of action and imagery. One-eyed man-eating giants; irresistibly seductive sirens; shipwrecks and narrow escapes; princesses and monsters; ghosts sipping blood at the Underworld's portal, desperate for a chance to speak to the living; and the final destruction of all Odysseus's enemies in the banquet hall—these stories are still spellbinding today. So, too, are the intimate moments of storytelling by the fire, of homecoming and reunion, fidelity and love—all of greater value to Odysseus, and to us, than the promise of immortality. Just as Mitchell "re-energised the Iliad for a new generation" (The Sunday Telegraph), his Odyssey is the noblest, clearest, and most captivating rendition of one of the defining masterpieces of Western literature. Mitchell's muscular language keeps the diction close to spoken English, yet its rhythms re-create the oceanic surge of the ancient Greek. The first translation to benefit from modern advances in textual scholarship, Mitchell's Odyssey also includes an illuminating introductory essay that opens the epic still further to our understanding and appreciation and textual notes that will benefit all readers. Beautiful, musical, accurate, and alive, this new Odyssey is a story for our time as well as for the ages.

A new publication of the definitive translation of Homer's epic brings the ancient poem to life, chronicling the Greek siege of the Trojan city state and the war that ensued.

Gillian Cross's brilliant retelling and Neil Packer's glorious illustrations bring to life Homer's Iliad, one of the greatest stories ever told. The team behind The Odyssey (2012) now tell the story of the Trojan War. Cross's vivid adaptation begins with a beauty contest: the prize, a golden apple. In return for securing her victory, the goddess Aphrodite helps Prince Paris abduct Helen, wife to the king of Sparta. Enraged, the king and his Greek allies wage war on the Trojans. Nine years later, the fighting still rages on, but the Greeks are beginning to quarrel among themselves - Achilles and Agamemnon's petty argument has dire consequences for everyone caught in the crossfire. Neil Packer's pictures capture the beauty and
