He lives in secret service to the Crown—a man of duty, deception, and an undeniable attraction to a woman who threatens to tear his whole world apart. They call him the Devil of Dorset. He stands alone, a man of undeniable power. Moving in and out of shadows, back alleys and ballrooms, he is unstoppable and one of the Crown's most dangerous weapons. However, when he sets his sights on the undeniably beautiful Countess of Mont Claire, Francesca Cavendish, he doesn't realize that he has met a match like no other. TRUE LOVE WEARS NO DISGUISE Francesca is a countess by day and stalks her prey—those responsible for the death of her family—by night. What she does not expect is to be thrown into the path of the devil himself, the Earl of Devlin. She has secrets of her own and he seems determined to lay them bare. Can her heart survive finding the love of her life and losing him when all is revealed? "Romantic, lush, and suspenseful."—New York Times bestselling author Suzanne Enoch

Stephen Batchelor's seminal work on humanity's struggle between good and evil In the national bestseller Living with the Devil, Batchelor traces the trajectory from the words of the Buddha and Christ, through the writings of Shantideva, Milton, and Pascal, to the poetry of Baudelaire, the fiction of Kafka, and the findings of modern physics and evolutionary biology to examine who we really are, and to rest in the uncertainty that we may never know. Like his previous bestseller, Buddhism without Beliefs, Living with the Devil is also an introduction to Buddhism that encourages readers to nourish their "buddha nature" and make peace with the devils that haunt human life. He tells a poetic and provocative tale about living with life's contradictions that will challenge you to live your life as an existence imbued with purpose, freedom, and compassion—rather than habitual self-interest and fear.

A community devoured by greed, cowardice and fear. A man persecuted by the ghosts of his painful past. A young woman searching for happiness. In one eventful week, each of them will face questions of life, death and power, and each of them will have to choose their own path. Will they choose good or evil? Coelho dramatizes the struggle with every soul between light and darkness, and its relevance to our everyday struggles: to dare to follow our dreams, to have the courage to be different and to master the fear that prevents us from truly living.--From publisher description.

Spiritual writer, theologian, and philosopher Jesuit Fr. Robert Spitzer tackles the topic of recognizing and overcoming spiritual evil. His focus is the human heart. His goal: our moral and spiritual transformation, which leads to true peace and genuine happiness. The book is divided into two main parts: the realities of God's goodness and of spiritual evil, and recognizing and overcoming diabolical tactics, which range from temptation and deception to the Deadly Sins. Father Spitzer shows readers how to experience God's peace even during times of suffering and persecution. He examines the basics of the spiritual life and Christian mysticism, including the contemplative dimension. He explains the purgative, illuminative, and unitive aspects of spirituality, as well as the Lord's consolation and the passive Dark Night of the Spirit. Father Spitzer provides the biblical and theological background of Jesus' victory over Satan. The author also explores the reality of the Devil,

including extraordinary manifestations of diabolic activity such as possession. He recalls the true story of the famous possession case on which the novel and film *The Exorcist* were based. In the final sections of the book the author explains: how diabolical spiritual forces operate how temptation works, and what to do to defeat it the "deadly sins" and how to overcome them
