"I'm going to walk you through one night as a stud." —Tony Clink HE SHOOTS. HE SCORES. TONIGHT. This book is your secret weapon. When that girl stops you cold, go up to her, take her home, and spend the night doing exactly what you wanted to do the moment you saw her. Tony Clink, master seducer, shows you how you can be that guy—an unstoppable P.U.A. (Pick Up Artist), able to seduce any woman at any time . . . even tonight. Tips to get you in the same bed before the night is through: • Don't just stare—read her body. • It's how you touch her that counts. • Get rid of competition—even boyfriends. • A bar's the worst place to find tonight's conquest. • How to work through her posse Be the man with The Plan and stay UP all night. Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world:

- The 3-seconds Rule (the most important rule you'll ever learn).
- Developing the confidence of a true player.
- How to become an Alpha Male.
- The most successful approaches.
- Gimmicks that work.
- Closing the deal.

Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.

I have collected ideas that occurred to me after I asked myself how I have finally started to live with my soul mate. Read this work as a work to be tested in real life. The value of this work shall depend on how much it improves the quality your life. You experiment this work, let me state in an unequivocal terms, at your own risk, as I did with my own.

This is an engaging, hugely entertaining version of The Rules for men. It gives a number of simple, effective techniques to guarantee men success with the women of their dreams. Armed with The Layguide's wisdom, men will no longer fear rejection and will have the poise, power and skills to attract any woman. Stop for a moment and reflect. What is it you strive for in life? To be famous, only to be forgotten when the next big thing comes along? To have more money than your neighbour? To get promotion and a slightly bigger office? Why? To win the love and respect of a beautiful woman. To have great sex, whenever you want, with the woman of your dreams. What if you could skip through the struggle and go straight to the prize? As the soon-to-be-published The Game testifies, this is a guide that guarantees success. No matter what your goal, and no matter what your experience, The Layguide will lead you to the place of your dreams, even if you've never spoken to a woman or had a date in your

whole life. Do you want to have sex with a different beautiful woman every night of the week? This book will show you how. Do you want to play the field in search of that one special woman? This book will show you how to do that, too. For more than a decade, Tony Clink has read books, talked with friends and strangers, and searched the Internet looking for the best and most interesting ideas on picking up women. He's tried and tested them all, finding out which ones were duds and which ones really worked, and traded his personal secrets with like-minded players around the world. And, of course, he's had lots and lots of amazing interaction with women, from steamy one night (or one hour) stands to his current two-year relationship with 'the most wonderful woman in the world'. Unlike other seduction guides, *The Layguide* is strictly no experience required. Even if you've never spoken to a woman in your life, Clink shows you step-by-step how to become the confident, successful 'lay man' you've always wanted to be. And if you're an experienced seducer, it will take you to heights of success you never thought possible.

Astounded by their fervor and seemingly superhuman sensory powers, she set out to uncover what drove their obsession, and whether she, too, could become a "cork dork." With boundless curiosity, humor, and a healthy dose of skepticism, Bosker takes the reader inside underground tasting groups, exclusive New York City restaurants, California mass-market wine factories, and even a neuroscientist's fMRI machine as she attempts to answer the most nagging question of all: what's the big deal about wine? What she learns will change the way you drink wine—and, perhaps, the way you live—forever. "Think: Eat, Pray, Love meets Somm." —theSkimm "As informative as it is, well, intoxicating." —Fortune

Pulitzer Prize-winning author Annie Proulx brings the immigrant experience to life in this stunning novel that traces the ownership of a simple green accordion. E. eyes of the descendants of Mexicans, Poles, Africans, Irish-Scots, Franco-Canadians and many others, all linked by their successive ownership of a simple green accordion. The music they make is their last link with the past—voice for their fantasies, sorrows and exuberance. Proulx's prodigious knowledge, unforgettable characters and radiant language make *Accordion Crimes* a stunning novel, exhilarating in its scope and originality.

Having failed English, eighteen-year-old Steve York must generate a paper to get credit and chooses to write about his years in high school, during which he experienced his first love and struggled with family relationships.

The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll,

Tony Stark is known throughout the world as many things: billionaire, inventor, Avenger. But mainly for being the Invincible Iron Man. Just when Tony is about to add his pizzazz to an international eco-summit in Ireland, someone close to him forces him to question his role in making the world a more dangerous place with his high-tech weaponry. But Stark doesn't have much time to reflect before an old enemy presents him with an even greater challenge: the assassination of all the eco-ministers, and Iron Man himself. Just how invincible Iron Man is when he is stripped of everything remains to be seen in this breathless adventure by the best-selling author of *Artemis Fowl*.

Elizabeth Meyer's "sweet, touching, and funny" (Booklist) memoir reads as if "Carrie Bradshaw worked in a funeral home a la *Six Feet Under*" (Publishers Weekly, starred review). *Good Mourning* offers a behind-the-scenes look at a legendary funeral chapel on New York City's Upper East Side—mixing big money, society drama, and the universal experience of grieving—told from the unique perspective of a fashionista turned funeral planner. Elizabeth Meyer stumbled upon a career in the midst of planning her own

father's funeral, which she turned into an upbeat party with Rolling Stones music, thousands of dollars worth of her mother's favorite flowers, and a personalized eulogy. Starting as a receptionist, Meyer quickly found she had a knack for helping people cope with their grief, as well as creating fitting send-offs for some of the city's most high-powered residents. Meyer has seen it all: two women who found out their deceased husband (yes, singular) was living a double life, a famous corpse with a missing brain, and funerals that cost more than most weddings. By turns illuminating, emotional, and darkly humorous, *Good Mourning* is a lesson in how the human heart grieves and grows—whether you're wearing this season's couture or drug-store flip-flops.
