The Princess and the Suffragette It is 1913, and young women are ready to change their lives. All across London, women are uniting in their desire for a voice, for a vote. But life at Miss Minchin ' s school feels as dull as ever for Lottie, until she sneaks out one day to attend a Suffragette demonstration.

~~The Princess and the Suffragette | Holly Webb~~

The Princess and the Suffragette is a really good continuation novel to Frances Hodgson Burnett ' s A Little Princess. I enjoyed having an older Lottie as the central character and how Sara was there but in the background. It weaves the suffragette movement as witnessed by Lottie which I thought was done in a great way.

Princess Sophia Alexandrovna Duleep Singh (8 August 1876 – 22 August 1948) was a prominent suffragette in the United Kingdom. Her father was Maharaja Sir Duleep Singh, who had been taken from his kingdom of Punjab to the British Raj, and was subsequently exiled to England. Sophia's mother was Bamba Müller, and her godmother was Queen Victoria. She had four sisters, including two halvesisters ...

It is 1913, nine years after the end of A Little Princess saw Sara Crewe escape Miss Minchin's orphanage. Lottie, the smallest girl from the original story, learns about the Suffragette movement from Sara, who returns to visit from time to time. Soon Lottie finds herself sneaking out of the orphanage to attend a demonstration, in defiance of her cold, distant father. A father who has a secret to hide about her own missing mother... It's a story about lost mothers turning up in unexpected situations, the power of friendship and female empowerment.

Return to the magic of Burnett's classic tale as a brand new character finds her voice and uncovers the truth. Lottie dreams of leaving the strict care of Miss Minchin's boarding school, just like her friend Sara Crewe did years ago. But Lottie's mother is gone, and her father has found reasons not to visit her for the past two years. When he rejects an invitation to come visit for her eleventh birthday, Lottie's sure he's ashamed of her for some reason. To temper her heartbreak, Lottie plans a secret little rebellion that she knows he'll hate—she purchases a trinket from the Suffragettes with the birthday money he sent her. But when Lottie learns more about the Suffragette's mission, she begins to see the world with new eyes. And as she follows the women's movement, Lottie discovers a secret about her missing mother that could change her world forever...

Follows the princess who, at the age of thirty-one, secretly went to India and returned as a revolutionary to fight for Indian Independence, the welfare of Indian soldiers in World War I, and, above all, women's suffrage.

Shortlisted for the Slightly Foxed Best First Biography Prize Winner of the Eastern Eye Alchemy Festival award for Literature In 1876 Sophia Duleep Singh was born into royalty. Her father, Maharajah Duleep Singh, was heir to the Kingdom of the Sikhs, a realm that stretched from the lush Kashmir Valley to the craggy foothills of the Khyber Pass and included the mighty cities of Lahore and Peshawar. It was a territory irresistible to the British, who plundered everything, including the fabled Koh-I-Noor diamond. Exiled to England, the dispossessed Maharajah transformed his estate at Elveden in Suffolk into a Moghul palace, its grounds stocked with leopards, monkeys and exotic birds. Sophia, god-daughter of Queen Victoria, was raised a genteel aristocratic Englishwoman: presented at court, afforded grace-and-favour lodgings at Hampton Court Palace and photographed wearing the latest fashions for the society pages. But when, in secret defiance of the British government, she travelled to India, she returned a revolutionary. Sophia transcended her heritage to devote herself to battling injustice and inequality, a far cry from the life to which she was born. Her causes were the struggle for Indian independence, the fate of the Lascars, the welfare of Indian soldiers in the First World War – and, above all, the fight for female suffrage. She was bold and fearless, attacking politicians, putting herself in the front line and swapping her silks for a nurse's uniform to tend wounded soldiers evacuated from the battlefields. Meticulously researched and passionately written, this enthralling story of the rise of women and the fall of empire introduces an extraordinary individual and her part in the defining moments of recent British and Indian history.

Rebel, Princess, Suffragette: this is the incredible true story of the life of Princess Sophia Duleep Singh, a forgotten heroine of the early twentieth century.

'We women are roused. Now that we are roused, we will never be quiet again' Bringing together the voices of women who fought for equal rights and representation - from aristocrats and actresses to mill workers and trade unionists - these speeches, pamphlets, letters and articles form an inspiring testament to the power of a movement. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

Popular depictions of campaigns for women 's suffrage in films and literature have invariably focused on Western suffrage movements. The fact that Indian women built up a vibrant suffrage movement in the twentieth century has been largely neglected. The Indian 'suffragettes' were not only actively involved in campaigns within the Indian subcontinent, they also travelled to Britain, America, Europe, and elsewhere, taking part in transnational discourses on feminism, democracy, and suffrage. Indian Suffragettes focuses on the different geographical spaces in which Indian women were operating. Covering the period from the 1910s until 1950, it shows how Indian women campaigning for suffrage positioned themselves within an imperial system and invoked various identities, whether regional, national, imperial, or international, in the context of debates about the vote. Significantly, this volume analyses how the global connections that were forged influenced social and political change in the Indian subcontinent, highlighting Indian mobility at a time when they were colonial subjects.

Shortlisted for the Carnegie Medal 2019, National Book Award, Books Are My Bag Readers' Awards and the YA Book Prize Through rallies and marches, in polite drawing rooms and freezing prison cells and the poverty-stricken slums of the East End, three courageous young women join the fight for the vote. Evelyn is seventeen, and though she is rich and clever, she may never be allowed to follow her older brother to university. Enraged that she is expected to marry her childhood sweetheart rather than be educated, she joins the Suffragettes, and vows to pay the ultimate price for women's freedom. May is fifteen, and already sworn to the cause, though she and her fellow Suffragists refuse violence. When she meets Nell, a girl who's grown up in hardship, she sees a kindred spirit. Together and in love, the two girls start to dream of a world where all kinds of women have their place. But the fight for freedom will challenge Evelyn, May and Nell more than they ever could believe. As war looms, just how much are they willing to sacrifice?

'An uplifting record of progress and strength... You'll lay the book down feeling not only informed, but galvanised to take action yourself.' Independent 'An incredible book . . . with the potential to change women's lives.' Sandi Toksvig Why is it taking so long? Despite huge progress since the suffragette campaigns and wave after wave of feminism, women are still fighting for equality. Why will we have to wait until 2069 for the gender pay gap to disappear in the UK? Why, in 2015, did 11% of women lose their jobs due to pregnancy discrimination? Why has 1 in 3 women in the world experienced physical or sexual violence? 'Engaging...part feminist history, part progress scoresheet and part family memoir.' Daily Telegraph In Deeds Not Words suffragette descendant and activist Helen Pankhurst charts the changes in the lives of women over the last 100 years. She celebrates landmark successes and little-known victories, looking at politics, money, identity, violence, culture and social norms and turning to the voices of both pioneers and ordinary women for their perspective. 'An exciting and engaging account of an essential part of British history.' Mary Evans, Emeritus Leverhulme Professor, London School of Economics Combining historical insight with inspiring argument, Deeds not Words reveals how far women have come, how far we still have to go, and how we might get there. It is essential reading for women - and men - on the most important issue of our time. 'Deeds Not Words is so timely. A valuable guide and reference.' Annie Lennox OBE
