Christopher Paul Gardner is an American businessman and motivational speaker. During the early 1980s, Gardner struggled with homelessness while raising a toddler son. He became a stock broker and eventually founded his own brokerage firm Gardner Rich & Co in 1987. In 2006, Gardner sold his minority stake in the firm and published a memoir. That book was made into the motion picture The Pursuit of Happiness starring Will Smith.

Chris Gardner - Wikipedia

Soon to be a major motion picture starring Will Smith, "The Pursuit of Happiness" is the inspiring, rags-to-riches story of the charismatic Chris Gardner - a once homeless father who raised and cared for his son on the mean streets of San Francisco and went on to become a crown prince of Wall Street. At the age of twenty, Milwaukee native Chris Gardner, just out of the Navy, arrived in San Francisco to pursue a promising career in medicine.

17 Inspiring Facts About The Pursuit Of Happiness

The Pursuit of Happiness is a story about the long journey of a single father, Chris Gardner, trying to provide for his son. After being evicted from their apartment, he and his young son find themselves alone with no place to go. Even though Chris eventually lands a job as an intern at a prestigious brokerage firm, the position pays no money.

Chris Gardner

The astounding yet true rags-to-riches saga of a homeless father who raised and cared for his son on the mean streets of San Francisco and went on to become a crown prince of Wall Street At the age of twenty, Milwaukee native Chris Gardner, just out of the Navy, arrived in San Francisco to pursue a promising career in medicine. Considered a prodigy in scientific research, he surprised everyone and himself by setting his sights on the competitive world of high finance. Yet no sooner had he landed an entry-level position at a prestigious firm than Gardner found himself caught in a web of incredibly challenging circumstances that left him as part of the city’s working homeless and with a toddler son. Motivated by the promise he made to himself as a fatherless child to never abandon his own children, the two spent almost a year moving among shelters, “HO-tels,” soup lines, and even sleeping in the public restroom of a subway station. Never giving in to despair, Gardner made an astonishing transformation from being part of the city’s invisible poor to being a powerful player in its financial district. More than a memoir of Gardner’s financial success, this is the story of a man who breaks his own family’s cycle of men abandoning their children. Mythic, triumphant, and unstintingly honest, The Pursuit of Happiness conjures heroes like Horatio Alger and Antwone Fisher, and appeals to the very essence of the American Dream.

Ever since the story of his transformation from homeless, single and struggling father to millionaire became known the world over, Chris Gardner --whose life story both inspired the movie The Pursuit of Happiness and became a #1 New York Times bestseller by the same name--has been inundated with two questions: ¶How Did You Do It¶ and ¶How Can I Do it Too?¶ Gardner’s power-packed, transformational reply is the basis of this long-anticipated book. As a departure from standard self-help tomes that promise overnight riches and exclusive secrets for success, Gardner avoids any tilt toward magical thinking by staying with real issues and solutions impacting individuals in all walks of life. If you’ve had the rug pulled out from under you, or have been dealing with the loss of a home, a job, a health or financial crisis, or simply can’t find the motivation to pursue new challenges, Start Where You Are abounds with life lessons that offer hope and provide a road map for starting anew. This is also the book for anyone ready to launch a personal, professional undertaking, or break generational cycles that hem in their potential. Taking stock of his own credos, including ¶The Cavalry Ain’t Coming.¶ ¶Find Your Button.¶ and ¶Seek the Furthest Star!-- Gardner’s 44 life lessons are earthy, soulful, and always accessible. With an array of stories from the author’s own life, as well as from those he has known or admired, both famous and not, Start Where You Are has arrived just in time to embolden and encourage all of us, even in our era of great global change, reminding us of the infinite resources we already have in our collective pursuit of happiness, and spurring us on in only one direction - forward!

A remarkable guide to the quests that give our lives meaning¶and how to find your own¶from the New York Times bestselling author of The \$100 Startup and 100 Side Hustles ¶If you like complacency and mediocrity, do not read this book. It’s dangerously inspiring.¶A. J. Jacobs, author of The Know-It-All When he set out to visit all of the planet’s countries by age thirty-five, compulsive goal-seeker Chris Guillebeau never imagined that his journey’s biggest revelation would be how many people like himself exist¶each pursuing a challenging quest. These quests are as diverse as humanity itself, involving exploration, the pursuit of athletic or artistic excellence, or battling against injustice and poverty. Everywhere that Chris visited he found ordinary people working toward extraordinary goals, making daily down payments on their dreams. These ¶questers¶ included a suburban mom pursuing a wildly ambitious culinary project, a DJ producing the world’s largest symphony, a young widower completing the tasks his wife would never accomplish¶and scores of others writing themselves into the record books. The more Chris spoke with these strivers, the more he began to appreciate the direct link between questing and long-term happiness, and he was compelled to complete a comprehensive study of the phenomenon. In The Happiness of Pursuit, he draws on interviews with hundreds of questers, revealing their secret motivations, their selection criteria, the role played by friends and family, their tricks for solving logistics, and the importance of documentation. Equally fascinating is Chris’s examination of questing’s other side. What happens after the summit is climbed, the painting hung, the endurance record broken, the at-risk community saved? A book that challenges each of us to take control¶to make our lives be about something while at the same time remaining clear-eyed about the commitment¶The Happiness of Pursuit will inspire readers of every age and aspiration. It’s a playbook for making your life count. ¶The Happiness of Pursuit is smart, honest, and dangerous. Why dangerous? Because it is as practical as it is inspiring. You won’t just be daydreaming about your quest!you¶ll be packing for it!¶Brené Brown, Ph.D., LMSW, author of Daring Greatly

Open it up, pick a page, and see for yourself.

In this important, entertaining book, one of the world’s most celebrated psychologists, Martin Seligman, asserts that happiness can be learned and cultivated, and that everyone has the power to inject real joy into their lives. In Authentic Happiness, he describes the 24 strengths and virtues unique to the human psyche. Each of us, it seems, has at least five of these attributes, and can build on them to identify and develop to our maximum potential. By incorporating these strengths - which include kindness, originality, humour, optimism, curiosity, enthusiasm and generosity -- into our everyday lives, he tells us, we can reach new levels of optimism, happiness and productivity. Authentic Happiness provides a variety of tests and unique assessment tools to enable readers to discover and deploy those strengths at work, in love and in raising children. By accessing the very best in ourselves, we can improve the world around us and achieve new and lasting levels of authentic contentment and joy.

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room.
