The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the verybeginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

Kate Andretti is married to the Mob, but she doesn't know it. When her husband uproots them to Italy, Kate leaves everything she knows behind. Alone in a foreign land, she finds herself locked in a battle for her life against a husband and a family that will "silence" her if she will not do as they wish. When her husband tries to kill her, she accepts the protection offered by a wealthy businessman with Mafia ties.

'Quite simply the best book about science and life that I have ever read' - Alice Roberts How does life begin? What drives a newly fertilized egg to keep dividing and growing until it becomes 40 trillion cells, a greater number than stars in the galaxy? How do these cells know how to make a human, from lips to heart to toes? How does your body build itself? Magdalena Zernicka-Goetz was pregnant at 42 when a routine genetic test came back with that dreaded word- abnormal. A quarter of sampled cells contained abnormalities and she was warned her baby had an increased risk of being miscarried or born with birth defects. Six months later she gave birth to a healthy baby boy and her research on mice embryos went on to prove that - as she had suspected - the embryo has an amazing and previously unknown ability to correct abnormal cells at an early stage of its development. The Dance of Life will take you inside the incredible world of life just as it begins and reveal the wonder of the earliest and most profound moments in how we become human. Through Magda's trailblazing research as a professor at Cambridge - where she has doubled the survival time of human embryos in the laboratory, and made the first artificial embryo-like structures from stem cells - you'll discover how early life is programmed to repair and organise itself, what this means for the future of pregnancy, and how we might one day solve IVF disorders, prevent miscarriages and learn more about the dance of life as it starts to take shape. The Dance of Life is a moving celebration of the balletic beauty of life's beginnings.

Seventy years ago Joe Rubinstein walked out of a Nazi concentration camp.Until now, his story has been hidden from the world.Shortly before dawn on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek "Joe" Rubinsztejn onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe--much worse. Joe arrived at Auschwitz on April 30, 1942. Only now, in his nineties, has he revealed how he survived several of the most notorious concentration camps when so many others perished. His is a remarkable narrative--a unique story of endurance and courage. Barefooted when he was seized by the Nazis, Joe became one of New York'sleading shoe designers--working with companies whose shoes were sought after byFirst Ladies and movie stars alike.Joe's story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joe's story is one of discovering light in the darkest of places, an inspiration for us all.

Revenge, rejection, resilience and revival: they're all represented in this collection of fourteen short stories from author Pauline Miles. Ranging in length from just 99 words to long-enough-for-a-second-cup-of-tea, these stories feature locations from Switzerland to Seattle and the popular fictional English village of Saffron Sweeting in between. Some are light, several are quirky and one or two a little on the darker side. They explore the meaning of family, the search for true love, and the overwhelming importance of home.

AMAZON BREAKTHROUGH NOVEL AWARD QUARTER FINALIST 2011 Have you ever wondered what it would be like to walk through life in someone else's shoes? Strong-willed tomboy Harley LeBeau puts you in the boots her mother gave her, as she takes you along her journey of escape from an abusive childhood and the desire to find herself as she comes of age. Made to feel a burden to her father simply by her gender, Harley is determined to prove her worth and independence, leaving the small town she grew up in and the one boy who gave her a soft place to fall, Jeremiah Johnson. Torn between saving herself and abandoning her mother and younger sister, Harley chooses her own life in hopes they will choose theirs, too. A mature, candid read for everyone. A must for women. The Boots My Mother Gave Me explores the dynamics of abuse and dysfunction, the courage to overcome, the strength in sisterhood, and the ongoing conflict and unconditional love between mothers and daughters. Climb into Charlene the Chevelle for a fast-paced story about a girl who is tough enough to survive and tender enough to learn to trust in love. www.brooklyn-james.com

Dark Mafia Romance, Dark Gritty Romantic Suspense, Mob Romance, Mobster Romance, Organized Crime Romance \*\*\* Double-finalist (Romantic Suspense and Best First Book) in the 2013 Booksellers' Best Awards! \*\*\* Top Pick, 5 Stars from The Romance Reviews (TRR) - "This story truly exceeded my expectations. Revenge is action packed, and when the pace picks up, it does not slow down.... Pick up this book today; it will grab your attention from the beginning. I cannot wait to read the next book." \*Here is to a WHOOPING 5 Stars. If I had to describe this book in about 4 words it would be action-packed, sexy, romantic, and adrenaline rushing.... This would make a kick butt movie! There were times when I was fanning myself, sitting on the edge of my seat, and so mad I had to put it down. The steamy scenes were oh so delicious!" -- Bengal Reads blog, 5 stars A woman on the run. A damaged Mafia don. A rival bent on revenge... Kate Andretti is married to the Mob--but doesn't know it. When her husband uproots them to Italy, Kate leaves everything she knows behind. Alone in a foreign land, she finds herself locked in a battle for her life against a husband and a family who will "silence" her if she will not do as they wish. When her husband tries to kill her, she accepts the protection offered by a wealthy businessman with Mafia ties. He's not a mobster, he claims. Or is he? Enrico Lucchesi never wanted to be a Mafia don, and now he's caught in the middle of a blood feud with the Andretti family. His decision to help Kate brings the feud between the families to a boil. When Enrico is betrayed by someone in his own family, the two of them must sort out enemies from friends--and rely on each other or die alone. The only problem? Enrico cannot reveal his identity to Kate, or she'll bolt from his protection, and he'll be duty-bound to kill her to safeguard his family's secret. Attacks from without and within push them both to the breaking point, and soon Enrico is forced to choose between protecting the only world he knows and saving the woman he loves. \*\*\*\*\* SENSUALITY LEVEL: Hot (RT Book Reviews scale) CONTENT WARNING: Revenge is a dark, atypical romance that contains graphic language, sexual situations, and violence. You have been warned. READING ORDER: Malavita (Prequel) Revenge Retribution Redemption Reckoning -- available 2015 \*\*\*\*\* Excerpt: Enrico raised a hand in greeting to Kate, and she returned his wave and started descending the steps. She headed straight for him, her Auburn hair gleaming in the sun, a few strands of it blowing across her pale cheek and into her green eyes. With a delicate hand, she brushed the hair out of her face. Enrico's fingers twitched with the desire to touch her cheek like that, to feel the slide of her silky hair. A small, almost secretive smile crossed her features, and he swallowed hard. Dio mio. He felt that smile down to his toes. She stopped a couple feet from him. "Signor Lucchesi, it's good to see you, as always." He bowed his head slightly. "And you, Signora Andretti." He paused, a grin spreading across his face. "Since when did we get so formal, Kate?" She half-turned and motioned to the doorway behind her. And that was when he noticed it--a bruise on her right cheek. Merda! Had someone hit her? Tearing his eyes off the mark, he followed her gesture. A tall, sandy-haired man, well-muscled and handsome, leaned in the doorway, his arms crossed. "My husband, Vincenzo, is here." Enrico's smile receded. He looked back to Kate. "I'd like to meet him." And if he did this to her, he's going to pay.

A gritty, historical romance adventure set in 7th Century Anglo-Saxon Britannia - a time when only the strong survived. Spring, 630 A.D... Annan of the Wuffingas is now King of the East Angles; following the kingdom's humiliating defeat to Mercia six months earlier. He is attempting to make a new start for himself, and his people, when he receives an order from Penda of Mercia - the king he has sworn to 'bend the knee' to. Annan must marry Penda's sister - the recently widowed, Saewara of Tamworth. Saewara, free of one bullying husband, only to be promised to another, is filled with despair at the news. Both Annan and Saewara are embittered by the sacrifice they must make for their kingdoms; Annan had been planning to wed another, a maid now promised to his brother; while Saewara, numbed by life, had planned to become a nun. Wyrd, fate, has other plans for Annan and Saewara. What begins as a forced marriage, develops into slow-burning passion between Annan and Saewara; two proud individuals, who must come to terms with more than an unwanted marriage. THE DEEPENING NIGHT is a tale of adventure, love and courage that will change, not just their lives, but the course of history.

A mystery. A love story. A lesson learned. Sunel Anderson has a little, invisible man who sits on her shoulder, and most of the time she does not listen to him. Until that day. There was a blinding flash... There should have been only darkness... But everything looks the same. Even though it shouldn't. She can only vaguely remember the day her school bus ran over the cliff. The day she and most of her fellow students ended up here. The twins, Mark and David Landon, were also on the bus, but David did not come here with them. David was sent across the valley to the other side. Even though Sunel fears the valley of darkness and going to the other side, because that is where she believes she belongs and everyone has made a mistake letting her in here, she and her new friend, Carly, agrees to help Mark find his brother. What will they find on the other side of fear? Praise for My Life Hereafter: "No matter if one believes in Heaven and Hell, the author has a way of prompting the reader to question the supernatural world. The reader is kept on the edge of his or her seat while trying to figure out what is going on along with Sunel. The novel is a love story, a mystery, a lesson learned. This book is a great read for teens and the young at heart." - Litpick 5-star Book Review Award. "Recommended for young readers with an interest in the afterlife, love and redemption." - Grace. "It really isn't a religious book. More a book about second chances. And learning from mistakes." - Kindle Customer. "This book also has elements of other issues important to today's youth such as bullying and peer pressure as well as taking responsibility for one's actions. With the variety of characters, readers should be able to find at least one that they identify with." - Amiesbookreviews
