Inside the world of the real Great Gatsby of New York real estate Harry Macklowe is one of the most notorious wheelers and dealers of the real estate world, and Liar's Ball is the story of the gamblers and thieves who populate his world. Watch as Harry makes the gutsy bid for midtown Manhattan's famous GM building and put almost no money down, landing the billion-dollar transaction that made him the poster child for New York's real estate royalty. Listen in on the secret conversations, back-door deals, and blackmail that put Macklowe and his cronies on top—and set them up for an enormous fall. Vanity Fair contributing editor Vicky Ward skillfully paints the often scandalous picture of the giants who owned the New York skyline until their empires came crumbling down in the 2008 financial crisis. Based on more than 200 interviews with real estate moguls like Donald Trump, William Zeckendorf, Mort Zuckerman, and David Simon, Liar's Ball is the never-before-told story of the egomaniacal elites of New York City. Read about: The epic rise and fall of one of the richest American real estate barons Outlandish greed and cravings for power, attention, and love Relationships built and destroyed by vanity and gossip The bursting of the real estate bubble and its aftermath This is no fiction—this is a real life tale of extravagance, ambition, and power. Harry Macklowe ruthlessly clawed his way to the top with the help of his loyal followers, each grubbing for a piece of the real estate pie. Liar's Ball reveals their secrets and tells the tale of business as usual for this group—lying, backstabbing, and moving in for the kill when things look patchy. From the bestselling author of The Devil's Casino comes an expos??? on the real estate elite that you'll hardly believe.

“ This well-organized book shows what a typical life in real estate is like so that newcomers can decide whether the field is right for them. It also offers advice on how to grow real estate investments for people who are already in the industry. Poorvu includes a variety of real world stories about people and their career experiences to make for an interesting read with a practical edge. ” – Publishers Weekly “ This new book by Bill Poorvu trumps any real estate book you ’ ve ever read. ” – James Grant, editor of Grant ’ s Interest Rate Observer There are plenty of “ get rich quick in real estate ” books. This is not one of them. Your guide, William Poorvu, is a lifelong real estate investor and consultant, and former head of the real estate program at Harvard Business School. Drawing on his personal experience – and hundreds of interviews with many of the most successful real estate investors and entrepreneurs – Poorvu illuminates every stage of your “ life ” in real estate: creating wealth, growing it, and managing it successfully. He reveals the milestones, pitfalls, and rewards associated with real estate investing, offering powerful insight into the challenges and opportunities you ’ ll face as you start out...scale up...ride the industry ’ s cyclical waves and then leverage, share, or pass along the wealth you ’ ve created. This book contains dozens of real life personal stories, hands-on checklists, and questions to guide your decisions...and it delivers unparalleled insight into how the real estate industry really works:

- Be strategic: choose your best route into the business Define your successful real estate career, and learn how to make it a reality
- Build your foundation: your first job, your first deal Spot a great opportunity to add value, and jump on it
- Scale up: build and sustain your success Hire a great team, manage them successfully, and find the capital you need to grow
- Survive the downturns: be flexible and nimble Recognize new realities, adapt to them, and uncover the opportunities they create
- Take stock: make the most of your success Balance your business, wealth, and family

If there were one advantage that would make a significant impact on the growth of your real estate portfolio, what would that be? If you are just starting out as a real estate investor, what anxieties or worries might you have? What expertise in particular would help you understand market fundamentals and help you achieve your goal of becoming a successful investor and attaining financial freedom? If you're an experienced investor, what systems do you have in place to support your growth without making costly mistakes? Have you built up a proper support team? If you are a successful real estate agent, with experience in residential property, what could you do to enhance that success in both personal and professional growth? Have you thought about how real estate investing can help you and your business? The answer to these questions lies in a very special kind of relationship-the relationship between the real estate investor and the real estate agent. Real Estate Riches is designed to provide investors with insights into the skills and services that a knowledgeable agent can provide-one who specializes in meeting the needs of the investor by understanding the investor's mindset, vision, and goals to allow them to focus on the larger aspects of their business. Real Estate Riches is also intended to illustrate to the agent what an investor's business looks like-from the different strategies and types of properties the investor focuses on, to the specifics of investment towns, neighbourhoods and streets, to timelines and cycles for growing the investor's portfolio. How do you go about finding that agent with the requisite skills? The answer lies within the pages of Real Estate Riches. Filled with real-life case studies, tips, and the hard-won knowledge that comes from experience, the book is

motivational, practical, and useful-and it will be among your wisest investments. "This book really shows professional investors and professional agents how, if done right, both parties can come out with better financial results with less hassle by treating the real estate business like any other business-creating long-term relationships in which each party respects the other's profession and treats each other's time like the important commodity that it is." - Don R. Campbell, Author, market analyst, and investor "Tahani is an inspiration. She shows firsthand how with the right mindset and the right team you can build a future in real estate while not compromising what's truly important." - Philip McKernan, Author of South of 49 and Fire Sale "Tahani's story is powerful, and demonstrates what can happen when you focus on helping people and living your passion. She reveals the 'human' side of real estate, and why it's so important to build a powerful team around you that you can trust." - Greg Habstritt, Founder of SimpleWealth.com and best-selling author of The Real Estate Secret "Tahani gives the novice investor a clear insight into the world of a savvy, investor-friendly real estate agent and the importance of having someone with her experience on your team. Whether you are a seasoned investor or just starting out, this book will be an invaluable tool in your investor toolbox." - Peter Kinch, Owner, DLC Peter Kinch Mortgage Team Tahani Aburaneh is donating the royalties from the sale of this book to [www.care.org](http://www.care.org).

*Foundations of Real Estate Financial Modelling* is specifically designed to provide an overview of pro forma modelling for real estate projects. The book introduces students and professionals to the basics of real estate finance theory before providing a step-by-step guide for financial model construction using Excel. The idea that real estate is an asset with unique characteristics which can be transformed, both physically and financially, forms the basis of discussion. Individual chapters are separated by functional unit and build upon themselves to include information on: Amortization Single-Family Unit Multi-Family Unit Development/Construction Addition(s) Waterfall (Equity Bifurcation) Accounting Statements Additional Asset Classes Further chapters are dedicated to risk quantification and include scenario, stochastic and Monte Carlo simulations, waterfalls and securitized products. This book is the ideal companion to core real estate finance textbooks and will boost students Excel modelling skills before they enter the workplace. The book provides individuals with a step-by-step instruction on how to construct a real estate financial model that is both scalable and modular. A companion website provides the pro forma models to give readers a basic financial model for each asset class as well as methods to quantify performance and understand how and why each model is constructed and the best practices for repositioning these assets.
