engaged in a war for dominance. The Line was winning city by city, enslaving the populations it conquered. A doctor of psychology, Liv Alverhuysen, was caught in the middle, unknowingly guarding a secret that both sides would do anything to have.

The Rise of Ransom City by Felix Gilman, Paperback ...

You might be standing on its sidewalk and not wonder in the least of how it grew to its current glory. Well, here is its story, full of adventure and intrigue. And it all starts with the day that old Harry Ransom crossed paths with Liv Alverhyusen and John Creedmoor, two fugitives running from the Line, amidst a war with no end.

?The Rise of Ransom City on Apple Books

The Rise of Ransom City is a sequel of sorts, following Felix Gilman's The Half-Made World—a wonderful, genre-bending novel released some two years ago. That book concluded with a satisfying ending, but the story definitely didn't end there. In The Rise of Ransom City, Gilman returns to the half-made world from a completely new perspective.

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

This is the story of Harry Ransom. If you know his name it's most likely as the inventor of the Ransom Process, a stroke of genius that changed the world. Or you may have read about how he lost the battle of Jasper City, or won it, depending on where you stand in matters of politics. Friends called him Hal or Harry, or by one of a half-dozen aliases, of which he had more than any honest man should. He often went by Professor Harry Ransom, and though he never had anything you might call a formal education, he definitely earned it. If you're reading this in the future, Ransom City must be a great and glittering metropolis by now, with a big bronze statue of Harry Ransom in a park somewhere. You might be standing on its sidewalk and not wonder in the least of how it grew to its current glory. Well, here is its story, full of adventure and

intrigue. And it all starts with the day that old Harry Ransom crossed paths with Liv Alverhyusen and John Creedmoor, two fugitives running from the Line, amidst a war with no end. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A fantastical reimagining of the American West which draws its influence from steampunk, the American western tradition, and magical realism The world is only half made. What exists has been carved out amidst a war between two rival factions: the Line, paving the world with industry and claiming its residents as slaves; and the Gun, a cult of terror and violence that cripples the population with fear. The only hope at stopping them has seemingly disappeared—the Red Republic

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

that once battled the Gun and the Line, and almost won. Now they're just a myth, a bedtime story parents tell their children, of hope. To the west lies a vast, uncharted world, inhabited only by the legends of the immortal and powerful Hill People, who live at one with the earth and its elements. Liv Alverhyusen, a doctor of the new science of psychology, travels to the edge of the made world to a spiritually protected mental institution in order to study the minds of those broken by the Gun and the Line. In its rooms lies an old general of the Red Republic, a man whose shattered mind just may hold the secret to stopping the Gun and the Line. And either side will do anything to understand how. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

Caught in the middle of a power war by a secret coveted by both the Line and the Gun, doctor of psychology Liv Alverhuysen flees to the world's edge with Gun agent Creedmor, while evil inventor Harry Ransom hatches a lucrative scheme. By the award-nominated author of *The Half-Made World*. 17,500 first printing.

In this breathtaking debut novel by Felix Gilman, one man embarks on a thrilling and treacherous quest for his people's lost god—in an elaborate Dickensian city that is either blessed ...or haunted. Arjun arrives in Ararat just as a magnificent winged creature swoops and sails over the city. For it is the day of the return of that long-awaited, unpredictable mystical

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

creature: the great Bird. But does it come for good or ill? And in the service of what god? Whatever its purpose, for one inhabitant the Bird sparks a long-dormant idea: to map the mapless city and liberate its masses with the power of knowledge. As the creature soars across the land, shifting topography, changing the course of the river, and redrawing the territories of the city's avian life, crowds cheer and guns salute in a mix of science and worship. Then comes the time for the Bird's power to be trapped—within the hull of a floating warship called Thunderer, an astounding and unprecedented weapon. The ship is now a living temple to the Bird, a gift to be used, allegedly, in the interests of all of Ararat. Hurlted into this convulsing world is Arjun, an innocent who will unwittingly unleash a dark power beyond his imagining—and become

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

entangled in a dangerous underground movement that will forever transform Ararat. As havoc overtakes the streets, Arjun dares to test the city's moving boundaries. In this city of gods, he has come to search among them, not to hide. A tour de force of the imagination, and a brilliant tale of rebellion, Thunderer heralds the arrival of a truly gifted fantasy writer who has created a tale as rich, wondrous, and captivating as the world in which it is set.

According to his business cards, Harry Ransom is a "professor" and a "lightbringer" and "licensed"... not that business cards mean much in a town called Disorder. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Taking a suspiciously well-paying job from a fashionable occult society after a devastating storm in 1893 London, young journalist Asa Shaw interrupts a séance and accidentally strands his fiancée's consciousness on Mars. By the award-winning author of The Half-Made World duology. 15,000 first printing.

PULITZER PRIZE FINALIST An epic, riveting history of New York City on the edge of disaster—and an anatomy of the austerity politics that continue to shape the world today When the news broke in 1975 that New York City was on the brink of fiscal collapse, few believed it was possible. How could the country's largest metropolis fail? How could the capital of the

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

financial world go bankrupt? Yet the city was indeed billions of dollars in the red, with no way to pay back its debts. Bankers and politicians alike seized upon the situation as evidence that social liberalism, which New York famously exemplified, was unworkable. The city had to slash services, freeze wages, and fire thousands of workers, they insisted, or financial apocalypse would ensue. In this vivid account, historian Kim Phillips-Fein tells the remarkable story of the crisis that engulfed the city. With unions and ordinary citizens refusing to accept retrenchment, the budget crunch became a struggle over the soul of New York, pitting fundamentally opposing visions of the city against each other. Drawing on never-before-used archival sources and interviews with key players in the crisis, *Fear City* shows how the brush with

Read Book The Rise Of Ransom City Half Made World 2 Felix Gilman

bankruptcy permanently transformed New York—and reshaped ideas about government across America. At once a sweeping history of some of the most tumultuous times in New York's past, a gripping narrative of last-minute machinations and backroom deals, and an origin story of the politics of austerity, *Fear City* is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today.

Houston in the 1920s is a city of established cotton kings and newly rich oil barons, where the elite live in beaux art mansions behind the gates of Courtlandt Place. Kirby Augustus Allen, grandson of the Allen brothers who founded Houston as a real estate deal, is grooming his daughter Hetty

to marry Lamar Rusk, scion of the Splendora oil fortune. Instead, at the No-Tsu-Oh Carnival of 1928, beautiful, rebellious Hetty encounters a mysterious man from Montana dressed in the gear of a wildcatter--an outsider named Garret MacBride. Hetty is torn between Lamar's lavish courtship and her instinctive connection to Garret. As Lamar's wife she would be guaranteed acceptance to the highest ranks of Houston society. Yet Garret, poor but powerfully ambitious, offers the adventure she craves, with rendezvous in illicit jazz clubs and reckless nights of passion. The men's intense rivalry extends to business, as rumors of a vast, untapped ocean of oil in East Texas spark a frenzy that can make fortunes--or shatter lives and dreams beyond repair. A sweeping, sumptuous debut that evokes the turmoil and
