A haunting novel spanning several generations, *The Seed Keeper* follows a Dakhóta family ' s struggle to preserve their way of life, and their sacrifices to protect what matters most. Rosalie Iron Wing has grown up in the woods with her father, Ray, a former science teacher who tells her stories of plants, of the stars, of the origins of the Dakhóta people. Until, one morning, Ray doesn ' t return from checking his traps. Told she has

no family, Rosalie is sent to live with a foster family in nearby Mankato—where the reserved, bookish teenager meets rebellious Gaby Makespeace, in a friendship that transcends the damaged legacies they ' ve inherited. On a winter ' s day many years later, Rosalie returns to her childhood home. A widow and mother, she has spent the previous two decades on her white husband ' s farm, finding solace in her garden even as the farm is threatened first by drought and then by a predatory chemical company. Now, grieving, Rosalie begins to confront the past, on a search for family, identity, and a community where she can finally belong. In the process, she learns what it means to be descended from women with souls of iron—women who have protected their families,

their traditions, and a precious cache of seeds through generations of hardship and loss, through war and the insidious trauma of boarding schools. Weaving together the voices of four indelible women, *The Seed Keeper* is a beautifully told story of reawakening, of remembering our original relationship to the seeds and, through them, to our ancestors.

There are many theories that try to explain success, greatness and purpose, but it remains a mystery to many. This book uses the mystery of the seed concept as a pattern to illustrate the unfolding of purpose. Seeds are kingdom principles that represent concepts that apply both to the natural and spiritual realm. The theory of nature versus nurture seeks to explain what is responsible for

Nature suggests that the seed can only be what it is genetically programmed to be, regardless of what it is exposed to. Nurture posits that the potential within each seed is unlocked, once the specific conditions for germination is met. Cultivating Purpose is based on practical applications and theories from both schools of thought, and accepts the reality of creation, which makes it evident that it is both nature and nurture that moulds us into our true worth. Life happens in cycles of seven, and the seven stages, steps and secrets in this book will help your purpose to unfold, and help you to complete your journey to greatness.
