In these journals, the experiences of one of the most renowned twentieth-century American writers come to life with fascinating, wholly revealing detail.John Cheever's journals provide peerless insights into the creation of his novels and stories. But they are equally the record of a complex, often dark, always closely observed inner world. No American writer of comparable stature has left such an unreservedly revealing and moving account of himself: his family life, his literary life, and his emotional life. The final word from one of modern America's great writers, The Journals of John Cheever provides a powerful and beautiful capstone to a towering oeuvre.

The Library of America presents this definitive collection of Cheever's novels: "The Wapshot Chronicle, The Wapshot Scandal, Bullet Park, Falconer," and "Oh What a Paradise It Seems."

Stunning and brutally powerful, Falconer tells the story of a man named Farragut, his crime and punishment, and his struggle to remain a man in a universe bent on beating him back into childhood. Only John Cheever could deliver these grand themes with the irony, unforced eloquence, and exhilarating humor that make Falconer such a triumphant work of the moral imagination.

Ten years ago, publishers, authors, scholars, and the reading public watched anxiously for the results of two lawsuits involving the family of John Cheever, famed short story writer, and Academy Chicago Publishers, a small publishing house. At stake was not only a collection of Cheever's lesser-known short stories, valued for their literary merit and historical value, but also the definition of intellectual property. In a dramatic re-telling, Anita Miller draws us into the case, creating vivid portraits of the participants and the tensions between them while also shedding light on key issues of our time.
