practices were central to the invention of the self in early modern Italy. Sforza commissioned elaborate artistic and architectural works, participated in splendid civic and religious rituals, and collected a dazzling array of clothing,

Countess Caterina Riario

In *Murder of a Medici Princess*,
Caroline Murphy illuminates the
brilliant life and tragic death of
Isabella de Medici, one of the

brightest stars in the dazzling world of Renaissance Italy, the courageous and notorious Countess Caterina Riario is a superb storyteller, and her fast-paced narrative captures the intrigue, the scandal, the romantic affairs, and the violence

that were commonplace in the Florentine court. She brings to life an extraordinary woman, fluent in five languages, a free-spirited patron of the arts, a daredevil, a practical joker, and a passionate lover. Isabella, in fact, conducted numerous affairs, including a ten-

Download Ebook The Tigress Of Forli

year relationship with the cousin of her violent and possessive husband. Her permissive lifestyle, however, came to an end upon the death of her father, who was succeeded by her disapproving older brother Francesco.

Considering Isabella's ways to be

Download Ebook The Tigress Of Forli

licentious and a disgrace upon the family, he permitted her increasingly enraged husband to murder her in a remote Medici villa. To tell this dramatic story, Murphy draws on a vast trove of newly discovered and unpublished documents, ranging

Download Ebook The Tigress Of Forli

from Isabella's own letters, to the loose-tongued dispatches of ambassadors to Florence, to contemporary descriptions of the opulent parties and balls, salons and hunts in which Isabella and her associates participated.

Murphy resurrects the exciting

Florence, weaving Isabella's
beloved city into her story,
evoking the intellectual and
artistic community that thrived
during her time. Palaces and
gardens in the city become places

seduction, and grounds for betrayal. Here then is a narrative of compelling and epic proportions, magnificent and alluring, decadent and ultimately tragic.
