Paperback

Jews and Jazz:
Improvising Ethnicity
explores the meaning of

Get Free The Total Jazz Bist

Jewish involvement in the
world of American jazz.

It focuses on the ways
prominent jazz musicians

like Stan Getz, Benny

Goodman, Artie Shaw,

Lee Konitz, Dave

Liebman, Michael

Brecker, and Red

Rodney have engaged

with jazz in order to

explore and construct

ethnic identities. The

author looks at Jewish

Get Free The Total Jazz Bist

identity through jazz in the context of the surrounding American culture, believing that American Jews have used jazz to construct three kinds of identities: to become more American, to emphasize their minority outsider status, and to become more Jewish. From the beginning, Jewish musicians have used jazz

Get Free The Total Jazz Bist

for all three of these purposes, but the emphasis has shifted over time. In the 1920s and 1930s, when Jews were seen as foreign, Jews used jazz to make a more inclusive America, for themselves and for blacks, establishing their American identity. Beginning in the 1940s, as Jews became more accepted into the

Get Free The Total Jazz Bist

mainstream, they used jazz to "re-minoritize" and avoid over-assimilation through identification with African Americans. Finally, starting in the 1960s as ethnic assertion became more predominant in America, Jews have used jazz to explore and advance their identities as Jews in a multicultural society.

Get Free The Total Jazz Bist A Fun And Comprehensive

This is a book about
artistic modernism
contending with the
historical transfigurations
of modernity. As a
conscientious
engagement with
modernity's restructuring
of the lifeworld, the
modernist avant-garde
raised the stakes of this

Get Free The Total Jazz Bist

engagement to
programmatic
explicitness. But even
beyond the vanguard, the
global phenomenon of
jazz combined somatic
assault with sensory
tutelage. Jazz, like the
new technologies of
modernity, re-calibrated
sensory ratios. The
criterion of the new as
self-making also
extended to names:

Get Free The Total Jazz Bist

pseudonyms and heteronyms. The protocols of modernism solicited a pragmatic arousal of bodily sensation as artistic resource, validating an acrobatic sensibility ranging from slapstick and laughter to the pathos of bereavement. Expressivity trumped representation. The artwork was a diagram of

Get Free The Total Jazz Bist

perception, not a mimetic rendering. For artists, the historical pressures of altered perception provoked new models, and Ezra Pound's slogan 'Make It New' became the generic rallying cry of renovation. The paradigmatic stance of the avant-garde was established by Futurism, but the discovery of

Get Free The Total Jazz Bist

prehistoric art added another provocation to artists. Paleolithic caves validated the spirit of all-over composition, unframed and dynamic. Geometric abstraction, Constructivism and Purism, and Surrealism were all in quest of a new mythology. Making it new yielded a new pathos in the sensation of radical discrepancy between

Get Free The Total Jazz Bist

futurist striving and remotest antiquity. The Paleolithic cave and the USSR emitted comparable siren calls on behalf of the remote past and the desired future. As such, the present was suffused with the pathos of being neither, but subject to both.

Paperback
Will Friedwald ' s
illuminating, opinionated

Get Free The Total Jazz Bist

essays—provocative,
funny, and personal—on
the lives and careers of
more than three hundred
singers anatomize the
work of the most
important jazz and
popular performers of
the twentieth century.
From giants like Ella
Fitzgerald, Louis
Armstrong, Frank
Sinatra, and Judy
Garland to lesser-known

Get Free The Total Jazz Bist

artists like Jeri Southern and Joe Mooney, they have created a body of work that continues to please and inspire. Here is the most extensive biographical and critical survey of these singers ever written, as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung. The music

Get Free The Total Jazz Bist

crosses from jazz to pop and back again, from the songs of Irving Berlin and W. C. Handy through Stephen Sondheim and beyond, bringing together straightforward jazz and pop singers (Billie Holiday, Perry Como); hybrid artists who moved among genres and combined them (Peggy Lee, Mel Torm é); the leading

Get Free The Total Jazz Bist

men and women of
Broadway and
Hollywood (Ethel
Merman, Al Jolson);
yesterday ' s vaudeville
and radio stars (Sophie
Tucker, Eddie Cantor);
and today ' s cabaret
artists and hit-makers
(Diana Krall, Michael
Bubl é). Friedwald has
also written extended
pieces on the most
representative artists of

Get Free The Total Jazz Bist

five significant genres that lie outside the songbook: Bessie Smith (blues), Mahalia Jackson (gospel), Hank Williams (country and western), Elvis Presley (rock 'n' roll), and Bob Dylan (folk-rock). Friedwald reconsiders the personal stories and professional successes and failures of all these artists, their songs, and their

Get Free The Total Jazz Bist

performances, appraising both the singers and their music by balancing his opinions with those of fellow musicians, listeners, and critics. This magisterial reference book—ten years in the making—will delight and inform anyone with a passion for the iconic music of America, which continues to resonate throughout our popular

Get Free The Total Jazz Bist culture. A Fun And

Comprehensive

On January 16, 1938

Benny Goodman

brought his swing
orchestra to America's
venerated home of

European classical music,

Carnegie Hall. The

resulting concert - widely
considered one of the

most significant events in

American music history -

helped to usher jazz and

Get Free The Total Jazz Bist

swing music into the American cultural mainstream. This reputation has been perpetuated by Columbia Records' 1950 release of the concert on LP. Now, in Benny Goodman's Famous 1938 Carnegie Hall Jazz Concert, jazz scholar and musician Catherine Tackley provides the first in depth, scholarly study

Get Free The Total Jazz Bist

of this seminal concert
and recording.

Combining rigorous
documentary and
archival research with
close analysis of the
recording, Tackley strips
back the accumulated
layers of interpretation
and meaning to assess the
performance in its
original context, and
explore what the material
has come to represent in

Get Free The Total Jazz Bist

its recorded form. Taking a complete view of the concert, she examines the rich cultural setting in which it took place, and analyzes the compositions, arrangements and performances themselves, before discussing the immediate reception, and lasting legacy and impact of this storied event and album.

Get Free The Total Jazz Bist

As the definitive study of one of the most important recordings of the twentieth-century, Benny Goodman's Famous 1938 Carnegie Hall Jazz Concert is a must-read for all serious jazz fans, musicians and scholars.
