The Tragedy of Romeo and Juliet follows the blossoming love, secret marriage, and eventual deaths of two teenagers whose families hate each other.

### The Tragedy of Romeo and Juliet Summary | Shakespeare Play

The Prologue is a key element in how our expectations of the outcome of the tragedy of Romeo and Juliet are handled. The Prologue, which was often delivered by an authorial character (see Gower in Pericles, Quince in Midsummer Night's Dream) served to establish audience expectation in Shakespeare's theatre for an audience with few preconceptions of this individual story but a complex understanding of the tropes of Renaissance tragedy.

### How does Shakespeare explore the theme of fate in the ...

Romeo manages to sneak away from his buddies and meet with his love. When thinking of her, outside her home waiting for her to come out, he describes how "It is the east and Juliet Is the sun. " meaning It is dark and it will only lighten when Juliet, the sun, arises to illuminate the sky.

This Shakespeare reader's theater script builds fluency through oral reading. The creative script captures students' interest, so they want to practice and perform. Included is a fluency lesson and approximate reading levels for the script roles.

Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as The Tragical History of Romeus and Juliet by Arthur Brooke in 1562 and retold in prose in Palace of Pleasure by William Painter in 1567. Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. This text was of poor quality, and later editions corrected it, bringing it more in line with Shakespeare's original.
