The Unquiet: A Charlie Parker Thriller: 6 by Connolly ...
Internationally bestselling author John Connolly delivers a "scary, cerebral" (Publishers Weekly) thriller, featuring the tortured and brilliant Private Detective Charlie Parker. That is the nature of revenge. It escalates. It cannot be controlled. One hurt invites another, on and on until the original injury is all but forgotten in the chaos of what follows.

John Connolly is the author of the Charlie Parker series of thrillers, the supernatural collection Nocturnes, the Samuel Johnson Trilogy for younger readers, and (with Jennifer Ridyard) the Chronicles of the Invaders series. He lives in Dublin, Ireland. For more information, see his website at JohnConnollyBooks.com, or follow him on Twitter @JConnollyBooks.

The sixth haunting Charlie Parker thriller not to be missed by fans of Stephen King and Michael Connelly. 'This man's so good, it's terrifying.' - The Times Daniel Clay, a once-respected psychiatrist, has been missing for years following revelations about harm done to the children in his care. Believing him dead, his daughter Rebecca has tried to come to terms with her father's legacy, but her fragile peace is about to be shattered. Someone is asking questions about Daniel Clay, someone who does not believe that he is dead: the revenger Merrick, a father and a killer obsessed with discovering the truth about his own daughter's disappearance. Private detective Charlie Parker is hired to make Merrick go away, but Merrick will not be stopped. Soon Parker finds himself trapped between those who want the truth about Daniel Clay to be revealed, and those who want it to remain hidden at all costs. But there are other forces at work here. Someone is funding Merrick's hunt, a ghost from Parker's past. And Merrick's actions have drawn others from the shadows, half-glimpsed figures intent upon their own form of revenge, pale wraiths drifting through the ranks of the unquiet dead. The Hollow Men have come . . .

Includes an excerpt from A song of shadows.

Daniel Clay, a once-respected psychiatrist, has been missing for years following revelations about harm done to the children in his care. Believing him dead, his daughter has tried to come to terms with her father's legacy, but her fragile peace is about to be shattered. Someone is asking questions about Daniel Clay, someone who does not believe he is dead: the revenger Merrick, a father and a killer obsessed with uncovering the truth behind his own daughter's disappearance. Private detective Charlie Parker is hired to make Merrick go away, but Merrick will not be stopped. Soon Parker finds himself trapped between those who want the truth to be revealed and those who want it to remain hidden at all costs.

When the discovery of a mass grave in northern Maine reveals the truth about the disappearance of a religious community, private detective Charlie Parker becomes embroiled in a deadly conflict with a group of religious fanatics.

New York Times bestselling author John Connolly is a master of the supernatural thriller— “ a genre of one ” (Bookreporter)—whose eerie and electrifying Charlie Parker mystery turns a small town in Maine into an unforgettable character that threatens to destroy the brooding private investigator. The isolated community of Prosperous, Maine, has always thrived. While others suffered, the people there have remained fortunate, wealthy, secure, and insular throughout the centuries. Miles to the south, in Portland, a homeless man dies, and the disturbing manner of his death brings Prosperous to the attention of the private investigator Charlie Parker. He is a dangerous man, driven by compassion, rage, and the desire for vengeance. Prosperous and its townsfolk recognize that he poses a threat to their security that runs deeper than any in their long history. But this community has its own way of protecting itself, and its sheltered residents have marked Charlie for death so that Prosperous may survive. Prosperous, and the secret that is buried beneath it...

Assisting a friend in a search for a kidnapped woman, detective Charlie Parker links the abduction to a church of bones in Eastern Europe, a 1944 slaughter at a French monastery, and the myth of an object known as the Black Angel.

Private Investigator Charlie Parker returns in this heart-pounding thriller as he seeks revenge against the darkest forces in the world, from “ one of the best thriller writers we have ” (Harlan Coben, #1 New York Times bestselling author) and the internationally bestselling author of the acclaimed *The Woman in the Woods*. He is our best hope. He is our last hope. He is our only hope. On a lonely moor in northern England, the body of a young woman is discovered. In the south, a girl lies buried beneath a Saxon mound. To the southeast, the ruins of a priory hide a human skull. Each is a sacrifice, a summons. And something in the darkness has heard the call. Charlie Parker has also heard it and from the forests of Maine to the deserts of the Mexican border, from the canals of Amsterdam to the streets of London, he will track those who would cast the world into darkness. Parker fears no evil—but evil fears him. “ A seamless, expansive, and chilling blend of police procedural and gothic horror tale ” (Kirkus Reviews), *A Book of Bones* will keep you guessing until the very last page.

New York Times bestselling author John Connolly writes an “ unfailingly compelling ” (New Orleans Times-Picayune) and lyrical tale that forces Private Investigator Charlie Parker to examine his haunting past and all that he has ever believed true about his beloved

Get Free The Unquiet Charlie Parker 6 John Connolly

parents—and himself. Charlie Parker is a lost soul. Deprived of his private investigator's license and under scrutiny by the police, Parker takes a job in a Portland bar. But he uses his enforced retirement to begin a different kind of investigation: an examination of his own past and an inquiry into the death of his father, who took his own life after apparently shooting dead two unarmed teenagers. It's a search that will eventually lead Parker to question all that he believed about his beloved parents, and about himself. But there are other forces at work: a troubled young woman who is running from an unseen threat, one that has already taken the life of her boyfriend; and a journalist-turned-writer named Mickey Wallace, who is conducting an investigation of his own. And haunting the shadows, as they have done throughout Parker's life, are two figures: a man and a woman who seem driven to bring an end to Charlie Parker's existence. Haunting, lyrical, and impossible to put down, *The Lovers* is John Connolly at his best.

"John Connolly returns with a prequel that goes back to the very beginning of Private Investigator Charlie Parker's astonishing career with his first terrifying case"--
