The start of an epic story that was never finished, or a glimpse of a brilliant idea that never fully materialized. The story, like all Tolstoy's work (at least what I know of it) is better than most others, and there is probably other works I could have presented in that respect. However, the first chapter of There Are No Guilty People is likely less known that a work like War and Peace, and thus it is likely more useful to call attention to (and shorter for the reader).

Free from desire for self-vindication, free from fear of an emancipated people, free from that envy and hatred which the oppressed feel for their oppressors, I am in the best possible position to see the truth and to tell it. Perhaps that is why Providence placed me in such a position. I will do my best to turn it to account.

MINE is a strange and wonderful lot! The chances are that there is not a single wretched beggar suffering under the luxury and oppression of the rich who feels anything like as keenly as I do either the injustice, the cruelty, and the horror of their oppression of and contempt for the poor; or the grinding humiliation and misery which befall the great majority of the workers, the real producers of all that makes life possible. I have felt this for a long time, and as the years have passed by the feeling has grown and grown, until recently it reached its climax. Although I feel all this so vividly, I still live on amid the depravity and sins of rich society; and I cannot leave it, because I have neither the knowledge nor the strength to do so. I cannot. I do not know how to change my life so that my physical needs — food, sleep, clothing, my going to and fro — may be satisfied without a sense of shame and wrongdoing in the position which I fill.

"Anna Karenina" and "War and Peace" branded Tolstoy as one of the greatest writers in modern history. Few, however, have read his wonderful short stories. Now, in one collection, are the 20 greatest short stories of Leo Tolstoy, which give a snapshot of Russia and its people in the late nineteenth century. A fine introduction is given by Andrew Barger. Annotations are included of difficult Russian terms. There is also a Tolstoy biography at the start of the book with photos of Tolstoy's relatives. The stories include: A Candle, After the Dance, Albert, Alyosha the Pot, An Old Acquaintance, Does a Man Need Much Land?, If You Neglect the Fire You Don't Put It Out, Khodinka: An Incident of the Coronation of Nicholas II, Lucerne, Memoirs of a Lunatic, My Dream, Recollections of a Scorer, The Empty Drum, The Long Exile, The Posthumous Papers of the Hermit Fedor Kusmich, The Young Tsar, There Are No Guilty People, Three Deaths, Two Old Men, and What Men Live By. Criminal defense attorneys protect the innocent and guilty alike, but, the majority of criminal defendants are guilty. This is as it should be in a free society. Yet there are many different types of crime and degrees of guilt, and the defense must navigate through a complex criminal justice system that is not always equipped to recognize nuances. In Guilty People, law professor and longtime criminal defense attorney Abbe Smith gives us a thoughtful and honest look at guilty individuals on trial. Each chapter tells compelling stories about real cases she handled; some of her clients were guilty of only petty crimes and misdemeanors, while others committed offenses as grave as rape and murder. In the process, she answers the question that every defense attorney is routinely asked: How can you represent these people? Smith's answer also tackles seldom-addressed but equally important questions such as: Who are the people filling our nation's jails and prisons? Are they as dangerous and deprived as they are usually portrayed? How did they get caught up in the system? And what happens to them there? This book challenges the assumption that the guilty are a separate species, unworthy of humane treatment. It is dedicated to guilty people—every single one of us.

The best-seller that helps you say: "I just said 'no' and I don't feel guilty!" Are you letting your kids get away with murder? Are you allowing your mother-in-law to impose her will on you? Are you embarrassed by praise or crushed by criticism? Are you having trouble coping with people? Learn the answers in When I Say No, I Feel Guilty, the best-seller with revolutionary new techniques for getting your own way.
