The Sleeper SEALs, are former U.S. Navy SEALs recruited by a new CIA counter-terror division to handle solo dark ops missions to combat terrorism on U.S. soil. Logan (Preacher) Bishop, retired Navy SEAL, flew tourists on helicopter rides over the mountains of Montana and occasionally rescued skiers from snowy slopes. With the threat of terrorists developing means of biological warfare, he jumped at the chance to run a mission in Alaska, monitoring the activities of a newly established ISIS cell. Vivian Sanders, a biologist with the Department of Homeland Security, was tasked with finding out what the terrorists were creating. Assigned to work with an agent on a cell in Alaska, she was stunned to find she was being paired with a security specialist and he knew nothing about their cover—living next door to the terrorists and pretending to be married. Precise in his planning and executions of missions, the impulsive Viv drove Logan to distraction and of all his missions, he was certain this one would fail. Learning to work together, Logan and Viv discover opposites do attract. But the secret Logan carries—how he is to finish the mission—is one he is afraid she won't be able to accept. When the chemicals created by the terrorists next door threatened to be tested on a small town in Alaska, they fight to survive...both hoping their love survives the battle as well. ** Logan Bishop was first introduced in the Saints Protection & Investigation Series (Surviving Love). The stunning wilds of Alaska are not for the faint of heart—but when Beth Rivers finds herself with a need to disappear, she 's already faced far worse. So how hard could it be? Beth Rivers, known to the world as Elizabeth Fairchild, has spent years as a bestselling novelist. Her twisty, page-turning thrillers have garnered a legion of fans, but unfortunately, her story-telling landed her in an unbelievable tale of her own—a situation even more terrifying than she could have dreamed. Crazy Elizabeth Fairchild super-fan Levi Brooks stalked and kidnapped Elizabeth, holding her captive inside a van for three days. She escaped by throwing herself from the speeding van, suffering a severe head injury and memory loss. Scarred and still healing from her injuries, she secretly escapes to the beautiful—and very remote—Benedict, Alaska. It 's the only place she can be sure no one will find her. But just before Beth 's arrival, the already small population of Benedict was reduced by one. Linda Rafferty 's death was ruled a suicide, but no one in the close-knit community quite believes that conclusion, even the sheriff. While she waits for her attacker to be apprehended in the lower 48, Beth takes on a project to revamp the Benedict town newspaper. She knows enough to go where the story is, and there 's clearly one behind Linda 's death. As rumors of murder spread, suspicion falls upon the felons staying at a local halfway house—and Beth herself. Intrigued by both the mystery and the wary folks who call Benedict home, Beth starts asking questions—only to find her investigation stirring up memories she 'd much rather had stayed forgotten...
