Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6–12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Warning: This is an independent addition to Luckiest Girl Alive, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of To Kill a Mockingbird are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn. Available on PC, Mac, smart phone, tablet or Kindle device. (c) 2015 All Rights Reserved

Lessons and handouts to help students understand the themes of racial prejudice, social ostracism, and the maturation process as depicted in the novel, plus suggested activities, quizzes, final test, and topics for writing assignments.

An in-depth analysis of Harper Lee, his writings, and the historical time period in which they were written.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: To Kill a Mockingbird is a Pulitzer Prize winning story about a young girl and her family living in Maycomb, Alabama during the Depression. Six-year-old Scout Finch lives with her older brother Jem, and lawyer father Atticus. Scout and Jem befriend a boy named Dill who stays with his aunt each summer. The three children become fascinated with their neighbor, Boo Radley, who stays hidden in his home. One summer, Atticus is appointed by the court to defend a black man named Tom Robinson, who is accused of raping a young white woman. Atticus receives much disapproval from the townspeople, which leads to Scout, Jem and Dill saving their father and Tom from an angry mob. To Kill a Mockingbird is a classic of modern American literature. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

This title examines the role and theme of the hero archetype in Harry Potter and the Sorcerer's Stone, To Kill a Mockingbird, 12 Years a Slave, The Scarlet Letter, and Little Women. It features four analysis papers that consider the hero theme, each using different critical lenses, writing techniques, or aspects of the theme. Critical thinking questions, sidebars highlighting and explaining each thesis and argument, and other possible approaches for analysis help students understand the mechanics of essay writing. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

This innovative STEAM guide will help general and special education teachers to increase effective instruction with adolescents (grades 5-10). The authors show teachers how to link STEM concepts with popular fiction and film selections as a catalyst to launch student interactions, discussions, projects, and investigations. This approach will promote problem solving and reasoning skills by initiating the scientific process, rather than simply presenting established facts. The book includes a wealth of lesson plans that connect abstract STEM ideas to realistic experiences that students encounter. Sample lessons call on students to produce drawings and models that move STEM to STEAM. Grounded in popular film and some of the most-read young adult books, the text includes teaching strategies found to be effective with traditionally underserved students and those with disabilities. Book Features: Standards-based STEM lessons interrelated and interwoven with writing, reading, speaking, and other skills. Practical ideas and hands-on activities for engaging adolescents in both traditional and virtual environments. Guidance for working with diverse populations, such as students with different abilities, culturally and linguistically diverse students, translingual students, and transnational students. Templates, handouts, and lessons linked to Star Wars, The Giver, The Immortal Life of Henrietta Lacks, Harry Potter, To Kill a Mockingbird, Star Trek, The Matrix, Holes, and more.

Pastor and author Matt Rawle is on a mission. He sees Christ all around him—in books, movies, TV shows, rock music—and he wants to share what he sees. As Matt says, "God offers the raw ingredients, and 'culture' is whatever we cook up." In The Faith of a Mockingbird, based on Harper Lee ' s To Kill a Mockingbird, pastor and author Matt Rawle uses Lee ' s beloved characters to explore Christian faith, theology, and ethics. Join Scout, Atticus Finch, Boo Radley, and Tom Robinson in this four-week study considering God ' s world and what it all means. The Faith of a Mockingbird is part of The Pop in Culture Series of Bible studies in which Matt Rawle stirs up a tasty gumbo of insight, humor, and inspiration based on some of your favorite pop culture classics. A DVD featuring four sessions with the author, a full Leader Guide, and a Worship Resources Flash Drive also are available for group study.

The first book-length study of Harper Lee's two novels, this is the ultimate reference for those interested in Harper Lee's writing, most notably as it considers race, class, and gender. • Assists students as they strive to better understand complex issues of race, class, and gender that remain relevant topics of discussion • Provides a needed and updated student guide on Harper Lee's writing • Assesses Lee's iconic characters and helps readers to comprehend the controversy surrounding the character flaws of Atticus Finch • Offers a personal perspective written by a friend of Harper Lee
