Unable to discard his humanity but equally unable to suppress his Ghoul hunger, Ken finds salvation in the kindness of friendly Ghouls who teach him how to pass as human and eat flesh humanely. But recent upheavals in Ghoul society attract the police like wolves to prey, and they don't discriminate between conscientious and ravenous Ghouls. -- VIZ Media

The newly awakened Kaneki unleashes his monstrous strength to protect his friend Touka and finds himself irrevocably changed. Kaneki sets out on his own, determined to find out the truth behind what's happening to him—and what the Aogiri Tree organization actually is. -- VIZ Media

Ghouls live among us, the same as normal people in every way—except their craving for human flesh. Ken Kaneki is an ordinary college student until a violent encounter turns him into the first half-human half-ghoul hybrid. Trapped between two worlds, he must survive Ghoul turf wars, learn more about Ghoul society and master his new powers. Shy Ken Kaneki is thrilled to go on a date with the beautiful Rize. But it turns out that she's only interested in his body—eating it, that is. When a morally questionable rescue transforms him into the first half-human half-Ghoul hybrid, Ken is drawn into the dark and violent world of Ghouls, which exists alongside our own.

For use in schools and libraries only. In the world of Tokyo Ghoul, sometimes the only way to fight monsters is to become one... The Commission of Counter Ghoul is the only organization fighting the Ghoul menace, and they will use every tool at their disposal to protect humanity from its ultimate predator. Their newest weapon in this hidden war is an experimental procedure that implants human investigators with a Ghoul's Kagune, giving them Ghoul powers and abilities. But both the procedure and the newly formed Qs Squad are untested. Will they become heroes...or monsters?! Operation Auction Sweep has turned into a bloodbath as the investigators face off against the Ghouls of Aogiri Tree's security forces. And with victory for the CCG far from assured, Investigator Toru Mutsuki must escape from behind enemy lines. His only help comes from Kuki Urie, the ex-Squad Leader of the Quinxes, whose sole allegiance is to his next promotion. With such a dubious ally and flesh-hungry Ghouls all around, does Toru even stand a chance?

In the café Anteiku, where Ghouls gather, danger and the possibility of discovery loom. Yoshimura, the café's owner, is harboring suspicions about a certain someone. What sort of darkness will that person bring to those who hunt and those who are hunted? This book chronicles six all-new stories from the Tokyo Ghoul universe. -- VIZ Media

Trapped within the body of the monster he unwittingly transformed into, Kaneki is forced to reexamine his past as he struggles to regain consciousness. Meanwhile, Touka manages to locate her husband within the bulk of the monster, but releasing Kaneki has the unintended, terrifying consequence of awakening an army of smaller monsters! -- VIZ Media

Sen Takatsuki's newest novel has hit the stands and a video of her admitting to being a Ghoul has gone viral! And if that news hasn't done enough to shake things up, the contents of her book are sowing civilian distrust of the CCG. How can investigators effectively take on the Ghoul threat if the public has lost faith in them? And what if Sen Takatsuki's veiled accusations about the CCG brass are true...? -- VIZ Media

The Ghoul-CCG alliance secures its first victory when it rescues Kaneki from the monster he was entombed within. But the creature still poses a dire threat to the city as it continues to birth mutant Ghouls, some of which are infecting humans with a horrific form of Ghoullism! The only cure lies deep in the belly of the beast itself, and Kaneki is determined to find it. But will this act of bravery be the final strike to end the war or Kaneki's last stand?! -- VIZ Media

Before the steel frame incident in the 20th Ward, there were reports of Ghouls lurking among the masses in Tokyo, carefully stalking their prey. This novel covers the events that occurred before the opening act of Tokyo Ghoul—a time when Kaneki was still human, the Kirishimas still lived together, and Rize enjoyed her feasts. -- VIZ Media
