He is both a swashbuckling batsman and record-breaking wicketkeeper, yet perhaps his true impact has come from the manner in which he plays his cricket with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen.

Gilchrist's autobiography True Colours, published in 2008, was the subject of much controversy. Gilchrist questioned the integrity of leading Indian batsman Sachin Tendulkar in relation to the evidence he presented in the Monkeygate dispute, which was about allegations of racism against Harbhajan Singh .

Adam Gilchrist - Wikipedia

of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself. True Colours (Young Reader's Edition)-Adam Gilchrist 2010-11-01 The Young Readers' edition of the bestselling adult non-fiction title Many critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. The Young Readers' edition of the bestselling adult non-fiction title Many critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. To his millions of fans around the world, it is the way he plays the game rather than simply the sum of his achievements that marks him out as one of the best-loved cricketers of his generation. He is both a swashbuckling batsman and record-breaking wicketkeeper, yet perhaps his true impact has come from the manner in which he plays his cricket with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen. From his early struggles to establish himself, through to the giant achievements of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself.

Going in first or seventh, wearing whites or colours, Adam Gilchrist was the most exhilarating cricketer of the modern age.This is the most complete, intimate and fascinating illustrated autobiography of 'Gilly', one of the most loved sportsmen of his generation.Featuring personal photographs, stories and precious keepsakes from Gilchrist's private life and illustrious career, this book provides unprecedented access to Gilly, on and off the field.Peppered with anecdotes, reflections and jibes from friends, family and many of the biggest names in Australian and world cricket, this is the ultimate collection for sporting enthusiasts.

He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. My Story is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career. At the Close of Play is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

In his role as Australian captain, Michael Clarke has introduced a very different dynamic into the traditions of captaincy. Open, inclusive and articulate, Clarke is a refreshing change from the often gruff and monosyllabic leaders of the past. 2013 has produced his greatest challenge to date - leading an Australian team of uncertain quality against the might of a resurgent England. But underperforming players have not been his only problem, as the sacking of Australian coach Mickey Arthur just days before the First Test at Trent Bridge created shockwaves in the team. Clarke's Ashes Diaries give us a real behind-the-scenes view of the Australian team and the incredible ups and downs of a riveting and controversial Ashes series. Recorded day-by-day, and covering every highlight and lowlight with intelligence and honesty, this is a genuine insight into one of the most rewarding, most difficult and most high-profile jobs in Australia - captain of our cricket team.

The end of career biography of one of the most loved stars of Australian cricket is now available in paperback with a brand new cover, after selling over 30,000 copies in hardback. Michael Hussey's huge popularity does not rest solely on his incredible playing record. Popularly known as Mr Cricket, he made his Test debut against the West Indies in Brisbane in November 2005, and has scored 6,183 Test runs over 78 Tests in his career. But to his fans, it is the way he plays the game rather than simply the sum of his achievements that marks him out as one of the best-loved cricketers of his generation. He is a middle-order maestro with a batting average of 51.52, but he has always played cricket with an integrity and sense of values that is the epitome of what cricket stands for. His autobiography takes you behind the scenes to his world of cricket. From his lengthy struggle to break into the Australian side, through to his masterly achievements in the Australian team, in ODI and Indian Premier League this book follows his extraordinary cricket career., with plenty of surprisingly frank admissions & behind the scenes dramas.

The Young Readers' edition of the bestselling adult non-fiction titleMany critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. Greg Chappell: Not Out brings his many years of experience to the fore to discuss Australia's favourite sport from all angles, including scandals, mental skills, and the future of the game. Greg Chappell's retirement as a cricketer was the conventional end of a great sporting career. But it was only the start of an equally lively journey. An original thinker and a peerless judge of talent, Chappell commands respect and is widely sought after for his views on all things cricket. He has seldom been away from the thick of it. Here, he tells all. Forty years since the underarm, Chappell takes us inside the secretive world of selection. He tells the story of Twenty20's forerunner Super 8s, and reveals his insights from an eventual stint as coach of India. He speaks frankly on a decade at Cricket Australia, including warning signs he saw ahead of the Newlands scandal, and calls for greater focus on the game's mental skills. Chappell also unveils a blueprint for the future of Australian cricket. He argues forcefully that the game has drifted too far from the type of lean, hungry system that helped to take the national team to the top. Greg Chappell: Not Out is a uniquely insightful and entertaining look at cricket, and a must-read for all fans of the sport.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

Why are animals so amazingly colorful? Find out in this kaleidoscopic look at the technicolor world of animals. Meet animals of every color of the rainbow and find out why they are the colors and patterns they are. Discover the reason why some animals are stripy and others are spotty. Why do some creatures deliberately pop out while others strive to blend in? Why are some bright to warn off others while some only pretend to look toxic? Why are some male animals so much more flamboyant than their female counterparts?Why do some babies look so different from the grown-ups in their families? The animal kingdom is explored like never before in this richly detailed natural history book, bursting with life and color. This is a beautifully illustrated first look at the colorful and kaleidoscopic world of animals for young children.
