A wild, sexy, and heart-filled adventure of two strangers who meet in the most unlikely of places. This laugh out loud and heartwarming romantic comedy from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall in love with the second book in the Dating by Numbers Series. ****CAN BE READ AS A STANDALONE**** I don't know what love is anymore. Well, that's not entirely true, but I'm going to tell you a little secret: I've lost the spark. You know the kind of spark I'm talking about? Where butterflies take flight in your stomach from two hands innocently colliding. Or catching your breath when you first meet someone attractive. Yeah, that spark. Except I haven't felt that feeling in forever; there is nothing left inside of me. Normally, this wouldn't be a problem--but I'm a writer on a serious deadline, and my editor is breathing down my neck for a romantic, Nicholas Sparks type love story. No pressure, right? That's how I find myself flying across the country to crash a wedding in the name of research, dress and heels stuffed into my small suitcase. It should be the easiest book research ever. Drinking some free champagne, basking in the love of two strangers, and tapping into my romantic side. That'll be a breeze. I'm a pro. I can handle this. Until I mistakenly end up in the wrong hotel room, naked as the day I

was born, with the sexiest human I have ever met staring me down, wondering what I'm doing taking a shower in his bathroom. I don't think calling it "research" will get me out of this mess. But it will make for one hell of a story.

"Good Morning Malibu, it's another beautiful day on the west coast! I'm Noely Clark, your host: and I'm in the market for love..." When the publicity team of the new local restaurant, Going in Blind, began their search for a hot, local celebrity to promote the wildly popular eatery, they couldn't have found a better person than me. Outgoing? Check. Single? Check. Open to finding love? Check. I signed up immediately. A hopeless romantic with an exceedingly demanding schedule, I've found it impossible to find the man of my dreams-so Going in Blind seems too good to be true! That's until they start setting me up on dates-three very different, very attractive, very distinct blind dates-and only one thing is for certain . . . I'm in big trouble. Good Morning Malibu, I'm Noely Clark, and I have a choice to make. The question is who will I choose; the suit, the rebel, or the jock.

An accidental pregnancy, a hunky hockey star, and a surprise twist you will never see coming, this swoon-worthy and heart-felt romance from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall head over ice skates in love with your next book boyfriend, Hayden Holmes."What are you doing now that your team is out of the running for the Stanley Cup?"Forget.I need to forget. I need an escape.Only one person isn't falling for my reputation as the NHL's Golden Boy; she captured my attention the minute she called me out for snooping through my best friend's house. She didn't want to hear my reason--she only wanted to playfully give me a hard time.Adalyn is bold, sassy--and the perfect escape.She's everywhere. In town and in my dreams, and suddenly I need to spend every waking moment with her.And I do, making this summer the best off-season I've ever had.But in the midst of getting lost in Adalyn, what I don't expect is to get her pregnant. And what I definitely don't expect is having to fight for her affection.

The USA Today bestselling author of The Worst Best Man is back with another hilarious #ownvoices rom-com about two strangers who get trapped in a lie and have to fake date their way out of it... Just weeks away from ditching DC for greener pastures, Solange Perreira is roped into helping her wedding planner cousin on a random couple's big day. It's an easy gig... until she stumbles upon a situation that convinces her the pair isn't meant to be. What's a true-blue romantic to do? Crash the wedding, of course. And ensure the unsuspecting groom doesn't make the biggest mistake of his life. Dean Chapman had his future all mapped out. He was about to check off "start a family" and on track to "make partner" when his modern day marriage of convenience went up in smoke. Then he learns he might not land an assignment that could be his ticket to a promotion unless he has a significant other and, in a moment of panic, Dean claims to be in love with the woman who crashed his wedding. Oops. Now Dean has a whole new item on his to-do list: beg Solange to be his pretend girlfriend. Solange feels a tiny bit bad about ruining Dean's wedding, so she agrees to play along. Yet as they fake-date their way around town, what started as a performance for Dean's colleagues turns into a connection that neither he nor Solange can deny. Their entire romance is a sham... there's no way these polar opposites could fall in love for real, right? "Mia Sosa... is

From USA Today bestselling author Meghan Quinn comes a forbidden romance about an Irish rebel who falls in love with the wrong girl. Dear Diary, I might have gotten myself into a wee bit of trouble—and I'm not talking about the "court mandated community service," or "therapy sessions from bashing a bloke in the head" kind of trouble. I wish it were that simple. Nope. I'm talking about the "falling in love with one of my client's daughters," kind of trouble . . . The kind of problem I can't talk my way out of when the truth gets out. How I ended up with her phone is a long story—and when she called to get it back, I took things a bit too far. One innocent exchange wound up leading to so much more. Fun, new, and totally immune to my charm, Sutton is different. And I had no idea she was the daughter of Foster Green. Blame it on the dark colored stout running through my veins, pushing me toward one bad decision after another. Pushing me toward her even though I know right from wrong; even though she's my client's daughter. Dating her might be the best or worst decision I've ever made. Only time, whiskey, and one more roll around the mattress with her will tell. Roark

Kennedy Martin is shocked when her ex calls days before his wedding, expressing serious second thoughts. Doesn't he see his fiancée's actually the glaze to his doughnut? Now she's got no choice but to crash his wedding and convince the man he's with the right woman. Instead, she crashes into the absolute last man she ever wanted to see: Maverick Owens, her old college nemesis. Maverick is still as awful, infuriating, and just The Worst as ever—even if he looks way too sexy in his cowboy hat. And of course he's convinced she's actually at the seaside ranch to ruin the wedding. Now the only way to get some face time with the groom and save this marriage is to participate in all sorts of pre-wedding events...with Maverick. Stuck on a canoe, making small-talk at cocktail hour, and even a hoedown with her worst enemy? This just might be the longest week of her life...

USA Today bestselling author Meghan Quinn delivers a smart and cheeky romance about love's power to lift hearts . . . and curses. It was supposed to be an innocent night, celebrating my brother's birthday. Nothing was supposed to go wrong. We'd vowed to be on our best behavior after all . . . But it only took one rowdy night with my brothers to flip my world upside down. One unlucky encounter saddled us with a family curse and the promise of doomed relationships. I laughed it off immediately. "Yeah, right," I thought. "A love curse. Ha!" Boy, was I wrong. Word spreads quickly in a town like mine; rumors about that night soon made us the most eligible yet untouchable bachelors in Port Snow, Maine. As a subject of endless gossip and speculation, I could kiss my dating life goodbye. It would have stayed that way if Ren Winters, the new girl in town, hadn't crashed into my life. Brave, beautiful, and smart—her vivacious thirst for a fresh start has given me hope that maybe, just maybe, I can have one too. Everyone wishes for that second chance . . . but could this really be mine?

SOON TO BE A MAJOR MOTION PICTURE FROM 20TH CENTURY FOX Two reckless but lovable all-American bros make a strong case for maturing slowly through their outrageous yet enlightening misadventures across this great country of ours.

My brother and I are looking for wedding dates for our cousin's wedding. We've been told by the bride that bringing dates is "mandatory" so we "won't harass all of my friends all night" and "stay under control." Rather than ask some fringe women in our lives to go and face the inevitable 'does this mean he wants to take it to the next level?!' questions, we'd rather bring complete strangers and just figure it out... We're both in our 20s, single, dashing tall, Anglo-Saxon, respectfully athletic, love to party, completely house trained...love our mother, have seen Love Actually several times...raw, emotional, sensitive, but still bad boys...You should be attractive or our aunts will judge you, but not TOO attractive or one of our uncles might grope you. Dave and Mike Stangle thought nothing of it when they boozily decided to turn to the "activity partners" section of Craigslist to solicit dates to their cousin's wedding. The hilarious, out-of-this-world ad that they came up with—featuring a picture of the two brothers as centaurs—immediately went viral, eventually landing these Wayfarers-wearing, moped-riding, completely reckless but ultimately loveable bros in the annals of the "Internet famous." In Mike and Dave Need Wedding Dates, the Stangle brothers bring their trademark, off-color humor to everything from their most embarrassing adolescent experiences (like getting beat up by a girl on their front lawn...in front of their dad), to the most outrageous predicaments (like tripping on mushrooms with their bulldog, Frank), to proper sexting etiquette, and finally to breaking up a midget bar fight (you have to shoo them away). With the incredible comedic chemistry of Vince Vaughn and Owen Wilson in Wedding Crashers and the uncensored honesty of Tucker Max, Mike and Dave insist there's nothing wrong with just seeing where life takes you.

Andrew Yancy—late of the Miami Police and soon-to-be-late of the Monroe County sheriff's office—has a human arm in his freezer. There's a logical (Hiaasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it's not called the roach patrol for nothing). But first—this being Hiaasen country—Yancy must negotiate an obstacle course of wildly unpredictable events with a crew of even more wildly unpredictable characters, including his just-ex lover, a hot-blooded fugitive from Kansas; the twitchy widow of the frozen arm; two avariciously optimistic real-estate speculators; the Bahamian voodoo witch known as the Dragon Queen, whose suitors are blinded unto death by her peculiar charms; Yancy's new true love, a kinky coroner; and the eponymous bad monkey, who with hilarious aplomb earns his place among Carl Hiaasen's greatest characters. Here is Hiaasen doing what he does better than anyone else: spinning a tale at once fiercely pointed and wickedly funny in which the greedy, the corrupt, and the degraders of what's left of pristine Florida—now, of the Bahamas as well—get their comeuppance in mordantly ingenious, diabolically entertaining fashion.

Thorne! A wedding planner left at the altar? Yeah, the irony isn't lost on Carolina Santos, either. But despite that embarrassing blip from her past, Lina's offered an opportunity that could change her life. There's just one hitch... she has to collaborate with the best (make that worst) man from her own failed nuptials. Marketing expert Max Hartley is determined to make his mark with a coveted hotel client looking to expand its brand. Then he learns he'll be working with his brother's whip-smart, stunning—absolutely off-limits—ex-fiancée. And she loathes him. If they can nail their presentation without killing each other, they'll both come out ahead. Except Max has been public enemy number one ever since he encouraged his brother to jilt the bride, and Lina's ready to dish out a little payback of her own. Soon Lina and Max discover animosity may not be the only emotion creating sparks between them. Still, this star-crossed couple can never be more than temporary playmates because Lina isn't interested in falling in love and Max refuses to play runner-up to his brother ever again... "The Worst Best Man is rom-com perfection. . . Sosa has a gift with words that's infectious and wry, one that keeps the pages turning in delight." — Entertainment Weekly
