How do we see the world around us? This is one of a number of pivotal works by creative thinkers whose writings on art, design and the media have changed our vision for ever.

John Berger was born in London in 1926.

His acclaimed works of both fiction and non-fiction include

A Photograph of
Seeing and the novel
G., which won the
Booker Prize in 1972.

In 1962 he left Britain permanently, and he now lives in a small village in the French Alps. Geoff Dyer is the author of four novels and several non-fiction books.

Winner of the Lannan Literary Award, the
