Thoreau describes his two-year residence at Walden Pond in a small house of his own construction, where he thought about personal freedom, individualism, materialism, and social conscience

Thoreau's sojourn in the wilderness

Henry David Thoreau dedicated his life to preserving his freedom as a man and an artist. Nature was the fountainhead of his inspiration and his refuge from what he considered the follies of society. Heedless of his friends' advice to live in a more orthodox manner, he determinedly pursued his own inner bent, which was that of a poet-philosopher, in prose and verse. Carl Bode brings together the best of Thoreau's works in *The Portable Thoreau*, a comprehensive collection of the writings of a unique and profoundly influential American thinker. The complete texts of Thoreau's classic works *Walden* and "Civil Disobedience," as

## Download File PDF Walden And Civil Disobedience Penguin American Library

well as selections from *The Maine Woods*, *Cape Cod*, *the Journal*, and eighteen poems are included. Bode's introduction rounds out this compact volume, offering a thorough and informative analysis of Thoreau and the forces that shaped his life and writing. "This compact book, containing infinite riches in a little room, is a simple setting for sound sense, nugget-like thought, the refined essences of a point of view" – *St. Louis Post-Dispatch*

A complete year from Thoreau's journal offers an incisive look at the author's writing and thoughts.

With their call for "simplicity, simplicity, simplicity!", for self-honesty, and for harmony with nature, the writings of Henry David Thoreau are perhaps the most influential philosophical works in all American literature. The selections in this volume represent Thoreau at his best. Included in their entirety are *Walden*, his indisputable masterpiece, and his two great arguments for nonconformity, *Civil Disobedience* and *Life Without Principle*. A lifetime of brilliant observation of nature--and of himself--is recorded in selections from *A Week On The Concord And Merrimack Rivers*, *Cape Cod*, *The Maine Woods* and *The Journal*.
