Upon the death of Simon Busfield, complete opposites Selina and Lottie find out that they were both married to the man at the same time, and two very different families discover that they are entwined in ways that will change them forever. Original.

With the sharp and witty scalpel she used in 'The Mistress's Revenge', Tamar Cohen lays bare the raw emotions that underpin so-called normal family life and explores the hearts of two women forced to re-evaluate everything they thought they knew.

From acclaimed British sensation Mal Peet comes a masterful story of adventure, love, secrets, and betrayal in time of war, both past and present. When her grandfather dies, Tamar inherits a box containing a series of clues and coded messages. Out of the past, another Tamar emerges, a man involved in the terrifying world of resistance fighters in Nazi-occupied Holland half a century before. His story is one of passionate love, jealousy, and tragedy set against the daily fear and casual horror of the Second World War -- and unraveling it is about to transform Tamar's life forever.

When close friends split, take care whose side you're on... Dan and Sasha are Josh and Hannah's closest friends, and lately they all seem to spend more time with each other than they do apart. But cozy weekends together quickly dissolve into a bitter game of tug-of-war when Dan utters three treacherous little words: I'm leaving her. Dan fully expects Josh to defend his choices—and that includes welcoming the sexy young model he's suddenly dating. Meanwhile, Dan's soon-to-be-ex-wife Sasha is devastated—dangerously so—by his betrayal, and she leans heavily on Hannah for support. Though Josh and Hannah try desperately to avoid the fallout of their friends' battle, they're quickly engulfed by the poisonous fog of attack lawyers, ugly accusations and untimely revelations. Soon they're suffocating in Dan and Sasha's secrets...and their own. Darkly witty and utterly chilling, *The Fallout* exposes the volatile nature of divorce—and the new lovers, obsessions and broken relationships that are left in its wake. "Previously Published as *The Broken* in the UK."

Now seen through the eyes of the young woman who became the unwilling catalyst to cruel events - incest, murder, and war, this is the controversial retelling of the epic of Absalom. Tamar, daughter of the famous King David, is raped by her half-brother. Although angered, David does nothing. Tamar's full-brother Absalom is outraged over the crime and the King's inaction. Absalom and his mother Makha plot revenge. While this turmoil unfolds, Bathsheba (David's most favored wife) quietly maneuvers to have her son Solomon inherit the throne, bypassing Absalom and the older brothers. Tamar loves her family above all others and is horrified to see her family's quarrel escalate out of control. She bravely struggles to prevent the clash from degenerating into civil war and undertakes a remarkable journey on foot to find the King. Her companion Hana accompanies her, disguised as a warrior to protect Tamar. But she cannot prevent the tragic denouement. As her world crumbles about her, Tamar keeps focus and has personal triumph in the end. After three thousand years, Tamar tells the story in her own words. The novel is an interesting study of two charismatic leaders who were themselves very flawed personalities, about the anguish within a family that was torn apart by their clash, and about a mother and daughter, whose love for each other is strained by their differing loyalties.

Mr & Mrs Max Irving request the company of: Mrs Fran Friedman, mourning her empty nest, the galloping years and a disastrous haircut. Mr Saul Friedman, runner of marathons, and increasingly distant husband. The two Misses Friedman, Pip and Katy, one pining over the man she can't have, the other trying to shake off the man she no longer wants. At the marriage of their son James, forbidden object of troubling desire. For thirty-six hours of secrets and lies, painted-on-smiles and potential ruin. And drinks, plenty of drinks. There's nothing like a wedding for stirring up the past. As Fran negotiates her way from Saturday morning to Sunday evening she is forced to confront things she's long thought buried, and to make decisions about the future that will have far-reaching consequences for them all.

From the author of the "jaunty, heartbreaking winner" (People) and international bestseller *Dear Mrs. Bird*, a new charming and uplifting novel set in London during World War II about a plucky aspiring journalist. London, November 1941. Following the departure of the formidable Henrietta Bird from *Woman's Friend* magazine, things are looking up for Emmeline Lake as she takes on the challenge of becoming a young wartime advice columnist. Her relationship with boyfriend Charles (now stationed back in the UK) is blossoming, while Emmy's best friend Bunty, still reeling from the very worst of the Blitz, is bravely looking to the future. Together, the friends are determined to Make a Go of It. When the Ministry of Information calls on Britain's women's magazines to help recruit desperately needed female workers to the war effort, Emmy is thrilled to be asked to step up and help. But when she and Bunty meet a young woman who shows them the very real challenges that women war workers face, Emmy must tackle a life-changing dilemma between doing her duty and standing by her friends. Every bit as funny, heartwarming, and touching as *Dear Mrs. Bird*, *Yours Cheerfully* is a celebration of friendship—a testament to the strength of women and the importance of lifting each other up, even in the most challenging times.

A novel full of twists, surprising turns, and suspense, *Dying for Christmas* is Tammy Cohen's most disturbing psychological thriller yet. Out Christmas shopping one December afternoon, Jessica Gould meets the charming Dominic Lacey and impulsively agrees to go home with him for a drink. What follows is a Twelve Days of Christmas from hell as Lacey holds Jessica captive, forcing her to wear his missing wife's gowns and eat lavish holiday meals. Each day he gifts her with one item from his twisted past—his dead sister's favorite toy, disturbing family photos, a box of teeth. As the days pass and the "gifts" become darker and darker, Jessica realizes that Lacey has a plan for her, and he never intends to let her go. But Jessica has a secret of her own ... a secret that may just mean she has a chance to make it out alive.

Sergeant Victor Peters breaks away from a Rebel prison train running hard from Soldiers with dogs closing fast on his heels. Hopelessly lost in deep woods about to be caught when suddenly a ghost vision of a drummer boy who was shot that morning flashes before him pointing a way to a steep hill. Climbing up that hill he shakes off the dogs and runs until dusk to an abandoned copper mine. There he finds a group of women dancing around a huge campfire while protected by a hideous looking beast. The Rebel soldiers hunting him sees the creature, stops. Soon an ex-slave Basil tells him he has entered into a bizarre world controlled by a runaway-slave woman Tamar who is a wizard of all witches. She uses some old sacred texts to communicate with the dead and with so many soldiers killed on the battlefield mothers and wives come to her who has a portal to the underworld and can connect by

pulling up the ghost of their lost love ones to read their lips. Victor finds himself now trapped by Tamar, a procure of super magical powers who had sent the drummer boy ghost for him to find his way to her. She has plans to expand her occult tribe by having Victor to be used as a stud master. Victor needs to get home to care for his ill child, Bessie. But he is up against the mystical power of Tamar. Basil tells him his only hope is a beautiful ex-shave girl Autumn who knows Tamar the tricksters secret and the only way to escape is to kill that fearsome beast Tamar controls. Can Victor get Autumn to help him get free from Tamar as the Rebels a mile away saddled well-armed watching ready for action as the creature stands firm. Victor sees danger and time is running out.

From the bestselling author of Mallowindy and the Woody Creek series comes a story of love and rescue "The narrative is achingly engrossing" Weekend Australian She had felt a sad pulling feeling in her stomach that day as the car had driven off, like there was a bit of elastic tied around her insides, sort of joining her to those brothers like it went right through that door, and as the car had driven further up the road, that elastic got pulled so tight, it hurt. Lori Smyth-Owen is balancing on the edge of adolescence but feeling years older. She has eleven brothers, nine living at home and the twins, who were stolen by Aunty Eva ... which was lucky for them because there is never enough of anything to go around, except Mavis, Lori's mother, who is so overweight she can barely move. That doesn't stop her plotting to get those twins back. She'll do anything to get them home. Then tragedy strikes and the Smyth-Owen children take desperate measures to save themselves ... and in so doing, discover that blood ties mean everything. PRAISE FOR JOY DETTMAN "Dettman writes compulsively readable stories" The Age Fans of Rosalie Ham's The Dressmaker will love Joy Dettman.
