Learn How to Water Fast the Right Way | Udemy

Water Fast, also called Wet Fast, is a type of fasting in which the practitioner consumes water only and no food whatsoever. Fasting allows the body take time to heal from all of the toxins and pollutants in the food and environment. Scientific research has proven how the brain literally grows and you become more intelligent when you fast.

Water fasting offers the quickest detox and strongest therapeutic effect. It is also the most challenging fast to perform in the first few days. Careful preparation in the days before a water fast can make all the difference.. Today only, get this bestseller for a special price. As the name suggests, it is fasting on water. And only water. And nothing but water. Herbal teas, black coffee, calorie free drinks, and supplements are not part of water fasting. Just water. If it sounds tough, I can say that from my experience water fasting is much easier than other types of fasting (bone broth, juicing, etc.) and the results are much more profound. This type of fasting is also called block fasting or long-term fasting. Fasting can vary in duration from 24-72 hours, which is considered safe for most people. Or the fast can extend to five days. Even a one day water fast has numerous health benefits including weight loss, increased energy and detoxification. Here Is A Preview Of What You'll Read... Benefits Of Water Fast What Is Water Fasting? What Happens During Water Fasting? Getting Started Transition Into Your Water Fast Tips For Staying Safe During Your Fast Setting Up The Ultimate Plan Exercises During Your

If you are struggling with that stubborn body fat, you are wanting a good detox or you are suffering from an illness that just doesn't seem to be getting better, then water fasting may be just for you. I wrote this book to inform you about the amazing benefits associated with water fasting. It has been used extensively in the treatment of autoimmune diseases, cardiovascular disease (especially hypertension) and not to mention to ward off the side effects of cancer treatments. But of course one of the most amazing benefits is its ability to help you shift that last bit of excess weight, help clear up your skin and increase your longevity. If you are not yet convinced that water fasting is something that you would like to try, then read on and I hope that by the end you may decide that it is something you can do. I have done it myself - and you can too... However, don't worry... If a Water Fast seems too extreme to start off with, I have also included some information on 2 other forms of fasting - intermittent fasting and bone broth fasting. And, if Water Fasting seems too easy and you are wanting results even quicker then you can try the "Dry Fast". However, remember that this is very extreme and should be done under the supervision of a practitioner. All in all, I think a Water Fast is your best bet. Within this book I have covered the following: 1) What Fasting Is; 2) History of Fasting; 3) Benefits of Fasting - Both Spiritually, Emotionally and Physiologically (with medically researched studies); 4) Case Studies of Medical Success Stories; 5) How to decide if a fast is right for you - who should and who shouldn't be doing a water fast; 6) 7 important steps you must complete to prepare for a water fast; 7) How to complete the water fast including what type of water to use and how much to drink. I also include 4 other steps you should take when completing the task to make it as easy and effective as possible; 8) How to break the fast correctly; 9) Summary of the 13 steps you can take to complete a successful water fast; 10) 16 Common Fasting Questions Answered; 11) Information on how to successfully undertake Intermittent Fasting; 12) Information on how to successfully undertake Bone Broth Fasting; 13) Information on how to successfully undertake Dry Fasting; 14) References to 13 Medically Research Studies; 15) References to a whole host of valuable websites you can check out if you require further information; and MUCH MORE...

Water Fasting - A Natural Proven Way to Lose Weight and Revitalize Your Health Do you want to lose weight while increasing and enhancing your health? Water fasting or fasting in general has been around for thousands of years. Fasting is not about starving oneself. When done right, it's an incredibly effective therapeutic approach that produces amazing results regardless of diet plan. Imagine a few weeks from now... burning off more fat than you ever have, and easier than you ever have. Imagine having more energy

and looking better than ever before—without going through all of the strain and stress of a typical diet or caloric restriction program. In this book on the basics of water fasting and implementing it into your life, you will learn: The basics of water fasting What is water fast? How to implement a water fast into your life The different lengths of a water fast and how to use them effectively The history of water fasting What autophagy is and why it is such an important benefit of going on a water fast How a water fast can assist with weight loss, not only while you are on the fast, but afterward How a water fast can help reverse and stop the effects of aging on the body How a water fast is going to help you heal your own body and a list of some of the other great benefits that you can receive when you go on this kind of fast How to get started on this kind of fast to get the best results By doing water fasting, you can achieve the healthiest body you've ever had, without having to experiment with any sketchy pills, systems or powders.

The most effective and achievable guide to intermittent fasting, outlining a unique plan that merges the science behind fasting with a holistic approach to eating, from the bestselling author of *Ketotarian* and *The Inflammation Spectrum*. "Intuitive Fasting is Will's clear four-week program designed to set you up to feel your best for all the other weeks to come. . . . It's full of what he's learned about reducing inflammation, restoring balance, recharging metabolism, and resetting gut health."—Gwyneth Paltrow, from the foreword For some, the idea of fasting by eating only one or two meals a day still sounds like an extreme and overly restrictive dieting tactic. But many of us already feel like victims to our daily eating schedule: three meals a day, plus snacks. Eat every few hours, we are told by the experts. This fixed eating schedule has become the norm. The truth is, this is an artificially constructed schedule that does not reflect our bodies' natural eating schedule. In fact, eating three meals every day can cause metabolic inflexibility, which can easily lead to inflammation, weight gain, fatigue, and chronic health problems. For millions of years, our bodies have actually functioned best with periodic times of fasting. With his fresh new approach to fasting, bestselling author and functional medicine expert Dr. Will Cole gives us the ability to take control of our hunger, making intermittent fasting intuitive. You'll get in touch with your instinctive eating patterns and become healthier and more mindful about how and when you eat. When your body is out of balance, it can be very difficult to discern what it needs to build vibrant wellness. *Intuitive Fasting* will show you how to find metabolic flexibility—and once you've reached metabolic flexibility, you can intuitively trust your body to function at optimal capacity, whether you've eaten six minutes ago or six hours ago. With his 4-Week Flexible Fasting Plan, Dr. Cole will guide you through varying intermittent fasting windows, with each week of the plan tailored to focus on a different aspect of your health. He illustrates the most effective ways to fast and eat to amplify the health benefits of intermittent fasting, balancing rest and repair with clean,

Access Free Water Fasting For Wellness How To Start Your Very Own Water Fast For Optimal Health Wellness And Longevity

nutrient-dense, delicious foods. By the end of the four weeks, you will have all the tools necessary to Reset your body, Recharge your metabolism, Renew your cells, and Rebalance your hormones. Along with more than sixty-five recipes, you'll also find a maintenance plan, so you can adapt fasting and feeding windows to work sustainably with your lifestyle.

Have you struggled with a lack of focus or concentration? Do you often find yourself relying on caffeine and synthetic drugs to mask feelings of illness? Do you suffer from digestive disturbances such as constipation or diarrhea? Are you looking for a free and effective way to feel better? This Health Bonus Package will: Help you turn around your health Educate you on why illness and disease is so prone in today's society Provide you with easy and necessary steps towards a healthy lifestyle Breathing: Techniques for Health and Happiness Adaptive Fasting (Intermittent, 5:2, Other) Preventing Cancer the Natural Way

You want to shed those additional pounds without resorting to unhealthy dieting habits or without depriving yourself? You want to start using your body's natural intelligence for enhancing your weight loss progress? You also want to drop extra weight and clean your body from toxic substances? If these questions relate to you in any way, you are definitely in the right place. If you struggle with extra pounds, keep in mind that you are not the only one. Actually, nowadays many people are struggling with this issue due to differing reasons. Some of them are genetically predisposed to weight gain, some of them cannot resist sugary treats, some of them believe that they have no time to invest in exercise. There are a variety of reasons why people gain weight and no matter your reason, there is only one right solution, changing your dieting habits. The truth is that we are constantly bombarded by dieting plans which often times propose things which work against the body's natural healing function. Some of these dieting plans propose extreme cuts in the daily carb intake while some of them propose cuts made to fat intake. While they generally differ from each other, all of these popular dieting plans have one thing in common, they do not take into account the body's natural ability to restore its function and heal itself. This is where water fasting comes into the game. Contrarily to popular belief, fasting does not mean starving yourself, but restoring your health by embracing your body's natural power and healing properties. Inside You Will Discover: -Learn healthy ways of taking care of your body -The importance of making healthy dieting and nutrition changes -What means being cautious about what you consume -Explore different reasons behind weight gain -What are health consequences of gaining weight -What are health, social and mental health benefits of losing weight -Understand the power of water fasting -How water fasting works and what are its major health benefits -How to properly prepare for your water fasting -How to take the most out of your water fasting journey for weight loss -And much, much more... Fasting is an effective and safe method of detoxifying the body... it helps the body heal itself and stay well. Fasting can help reverse the aging process, and if we use it correctly we will live longer, happier lives. - James Balch, MD, Author, Prescription for Natural Healing Accepted as a classic cure for many medical and physical issues, as well as a key to good general health, Otto Buchinger's therapeutic fasting methods have attracted millions of followers and been in use for more than five decades. In Therapeutic Fasting, written by an internationally renowned authority on fasting (also, a member of the original Buchinger family), the details and methodology of this highly effective program are disclosed for a whole new generation of readers and clinicians. Special Features Offers easy-to-follow guidelines for implementing the original, acclaimed Buchinger method of therapeutic fasting, which is firmly rooted in concepts of medical sciences and physiology Enhanced by step-by-step instructions, how-to tips, clear explanations, full-color photographs, and compelling personal commentary by individuals who have experienced the program The author Franoise Wilhelmi de Toledo, MD, is an international authority on fasting and heads the well-known Buchinger clinics in Europe. Furthermore, she is married to Otto Buchinger's grandson Explores the far-reaching physical, spiritual, and psychological effects of fasting Shows how motivational techniques and physical exercises complement the program and lead to a strong sense of well-being, with examples of yoga, correct breathing, abdominal massage, and more Demonstrates how food is slowly and safely introduced after the fast, with more than 40 savory recipes that promote nutritional awareness in everyday life The only book on this topic available in English, Therapeutic Fasting: The Buchinger-Amplius Method will enable all readers to learn patterns of healthy behavior, practice them with professional guidance, and integrate them into a balanced, healthy lifestyle. It is a fascinating reference for general practitioners, nutritionists, and informed lay people who want to learn more about the powerful combination of therapeutic fasting, supporting scientific medical principles, and natural healing concepts.
