The company began with one family-run root beer stand and grew over eight decades, through his leadership, into a global corporation that is widely respected for the business it does and the way it does business. In 1964, on the eve of being named president of the company, Marriott’s father, founder and then-CEO J. Willard Marriott, Sr., tucked a letter in his 32-year-old son’s desk drawer. The letter contained insights that proved invaluable as Bill Jr. blazed the trail not only for his company, but for the hospitality industry as well. Paris Dear Alice, Each morning I am awakened by the sound of a tinkling bell. A cheerful sound, it reminds me of the bells that shopkeepers attach to their doors at Christmastime. In this case, the bell marks the opening of the hotel door. From my room, which is just off the winding staircase, I can hear it clearly. It reminds me of the bell that calls to worship the novice embarking on a new life. In a way I too am a novice, leaving, temporarily, one life for another. Reservations we take time off with Pulitzer Prize winner Alice Steinbach as she explores the world and rediscovers what it means to be a woman on her own. "In many ways, I was an independent woman," writes Alice Steinbach, a single working mother, in this captivating book. "For years I'd made my own choices, paid my own bills, shoveled my own snow, and had relationships that allowed for a lot of freedom on both sides." Slowly, however, she saw that she had become quite dependent in another way: "I had fallen into the habit . . . of defining myself in terms of who I was to other people and what they expected of me." Who am I, she wanted to know, away from the things that define me--my family, children, job, friends? Steinbach searches for the answer to this provocative question in some of the most exciting places in

the world: Paris, where she finds a soul mate in a Japanese man; Oxford, where she takes a course on the English village; Milan, where she befriends a young woman about to be married. Beautifully illustrated with postcards Steinbach wrote home to herself to preserve her spontaneous impressions, this revealing and witty book will transport readers instantly into a fascinating inner and outer journey, an unforgettable voyage of discovery.

Keaton is the mate of Chay's dreams--Chay just didn't expect him to be male. But Keaton isn't sure about another lover who denies being gay. Can they depend on each other when Keaton's life is in danger?

Cartoonist Ricardo Caté describes Indian humor as the result of “us living in a dominant culture, and the funny part is that we so often fall short of fitting in.” His cartoon column, *Without Reservations*, is a popular daily dose in the *Santa Fe New Mexican*. Actor Wes Studi says, “Caté’s cartoons serve to remind us there is always a different point of view, or laughing at every day scenes of home life where Indian kids act just like their brethren of different races. *Without Reservations* is always thought-provoking whether it makes you laugh, smirk, or just enjoy the diversity of thought to be found in Indian Country.”

attention-seeker.”—Wired UK Bored, broke and struggling to survive in one of the most expensive cities on earth, Paul Carr comes to the surprising realization that it would actually be cheaper to live in a luxury hotel in Manhattan than in his tiny one-bedroom apartment. Inspired by that possibility, he decides to sell most of his possessions, abandon his old life and spend a year living entirely without commitments, as a modern-day nomad. Thanks to Paul’s ability to talk his way into increasingly ridiculous situations, what begins as a one-year experiment soon becomes a permanent lifestyle—a life lived in luxury hotels and mountain-top villas. A life of fast cars, Hollywood actresses and Icelandic rock stars. Of 6,000-mile booty calls, of partying with 800 female hairdressers dressed only in bedsheets, and of nearly dying

at the hands of Spanish drug dealers. And, most bizarrely of all, a life that still costs less than his surviving on cold pizza in his old apartment. Yet, as word of Paul's exploits starts to spread—first online, then through a national newspaper column and eventually a book deal—he finds himself forced constantly to up the stakes in order to keep things interesting. With his behavior spiraling to dangerous—and sometimes criminal—levels, he is forced to ask the question: is there such a thing as too much freedom? “There's no denying that he's an idiotic, irresponsible chancer—qualities that make him an unpredictable travel companion, but put his story-telling skills in first class.”—Daily Record

"A heart-stomping, heart-stopping read. Unsentimental. Unforgettable. Astonishing. Brothers on Three captures the roar of a community spirit powered by blood history, loyalty, and ferocious love." —Debra Magpie Earling, author of *Perma Red*
From journalist Abe Streep, the story of coming of age on a reservation in the American West and a team uniting a community
March 11, 2017, was a night to remember: in front of the hopeful eyes of thousands of friends, family members, and fans, the Arlee Warriors would finally bring the high school basketball state championship title home to the Flathead Indian Reservation. The game would become the

stuff of legend, with the boys revered as local heroes. The team's place in Montana history was now cemented, but for starters Will Mesteth, Jr. and Phillip Malatare, life would keep moving on—senior year was only just beginning. In *Brothers on Three*, we follow Phil and Will, along with their teammates, coaches, and families, as they balance the pressures of adolescence, shoulder the dreams of their community, and chart their own individual courses for the future. *Brothers on Three* is not simply a story about high school basketball, about state championships and a winning team. It is a book about community, and it is about boys on the cusp of adulthood, finding their way through the intersecting worlds they inhabit and forging their own paths to personhood.

The tumultuous life and career of a woman who fought gender bias on multiple fronts -- in theory and in practice, for herself and for us all.

With compelling detail, *Without Reservation* tells the stunning story of the rise of the richest Indian tribe in history. In 1973, an old American Indian woman dies with nothing left of her tribe but a 214-acre tract of abandoned forest. It seems to be the end of the Mashantucket Pequot tribe. But it is just the beginning. Over the next three decades, the reservation grows to nearly 2,000 acres, home to more than 600 people claiming to be tribal members. It has also become home to Foxwoods, the largest casino in the world, grossing more than \$1 billion a year. *Without Reservation* reveals the

mysterious roots of today's Pequot tribe, the racial tension that divides its members, and the Machiavellian internal power struggle over who will control the tribe's funds. Author Jeff Benedict brings to us the deal makers, the courtroom machinations, the trusts and betrayals. Now, with remarkable new information, the paperback brings us up-to-date on these revelations, which lead to state and federal investigations and calls for congressional hearings.
