The gripping memoir of Navy Cross, Silver Star, Bronze Star, and Purple Heart recipient SEAL Lieutenant Mark L. Donald As A SEAL and combat medic, Mark served his country with valorous distinction for almost twenty-five years and survived some of the most dangerous combat actions imaginable. From the rigors of BUD/S training to the horrors of the battlefield, Battle Ready dramatically immerses the reader in the unique life of the elite warrior-medic who advances into combat with life-saving equipment in one hand and life-taking weapons in the other. It is also an uplifting human story that reveals how a young Hispanic American bootstrapped himself out of a life that promised a dead-end future by enlisting in the military. That new life begins with the Marines and includes his heroic achievements on the battlefield and the operating table, and finally, of his inspirational triumph over the demons caused by Post Traumatic Stress Disorder that threatened to destroy him and his family.

After her boss became her ex-boyfriend and turned her life inside out, Rebecca is on the road looking for adventure and a place to call home. She never imagined the mysterious road she would take would lead her to a grumpy hot Sheriff, a gorgeous playboy and a group of gay fashionistas, or, that they would be bear and lion shifters. Reading about being a shifter's mate was one thing, living it was another.Aleks has sworn off human women. After working a brutal homicide he as returned to the shifter-only town of his birth to date the local shifter women and hopefully find a nice female bear to give him cubs. When Fate throws him an itty, bitty human as a mate, he refuses to have anything to do with her.As the attraction between them grows Aleks realizes that he can't seem to stay away from the tiny dark-haired human, but the realization may come too late, as he faces the fact that though her body was never in any danger, he may have shattered her heart. He wonders if she will be safe with him and she wonders if she will ever be what he always wanted.In the end he they will both see that ζ Fate Knows Best
