Scooters and scootering are the fastest growing segment of the American motorcycling market. Because of their low cost, ease of operation, and unintimidating nature, scooters are especially appealing to new riders. This book will provide the scooter owner with everything he or she needs to know. It will tell a person what kind of scooter to buy, how to buy it, and where to buy it. It will instruct the owner on maintaining and customizing his or her scooter. It will even help the scooterist find scooter-related events and activities. In sum, this is all the book any scooter owner will ever need.

The Cold War emerged after the Second World War as a nuclear stand-off between the superpowers of the USA and its NATO allies, and the Soviet Union and its east European Warsaw Pact allies. The accepted dates for the Cold War are 1947 to 1991, the year in which the Communist regimes in Central and Eastern Europe collapsed and the world witnessed the formal dissolution of the USSR, leaving the USA as the world's only superpower. In those intervening years the world had come dangerously close to nuclear Armageddon on several occasions.
