Historical Fiction review 1: Yavana Rani was the first historial fictional work I had ever read in Tamil. At first, I was very much scared that I might not be able to finish it because I hated too much description in any novels and especially after my dad warned me of the same in this book too but I must thank Sandilyan for changing my taste.

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

From the violent anger he suffered at the hands of his mother and father, to the continuous torments at school; from the way in which he coped with rejection from people he trusted, to suffering from bulimia and a wish to take his own life, Kevin succeeded in making a better life for himself. This is his story ..
