the world is crumbling around him? Is meditation a valid response or just another form of escapism? These are the questions Brad Warner ponders in *Zen Wrapped in Karma Dipped in Chocolate*. During a year that Warner spent giving talks and leading retreats across North America, his mother and grandmother died, he lost his dream job, and his marriage fell apart. In writing about how he applied the Buddha's teachings to his own real-life suffering, Warner shatters expectations, revealing that Buddhism isn't some esoteric pie-in-the-sky ultimate solution but an exceptionally practical way

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death Diverse And Spirituality Search Of The True Dharma Brad Warner

Zen, plain and simple, with no BS. This is not your typical Zen book. Brad Warner, a young punk who grew up to be a Zen master, spares no one. This bold new approach to the "Why?" of Zen Buddhism is as strongly grounded in the tradition of Zen as it is utterly revolutionary. Warner's voice is hilarious, and he calls on the wisdom of everyone from punk and pop culture icons to the Buddha himself to make sure his points come through loud and clear. As it prods readers to question everything, Hardcore Zen

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death

is both an approach and a departure, leaving behind the soft and lyrical for the gritty and stark perspective of a new generation. This new edition will feature an afterword from the author.

In 2003, Brad Warner blew the top off the Buddhist book world with his irreverent autobiography/manifesto, *Hardcore Zen: Punk Rock, Monster Movies, and the Truth about Reality*. Now in his second book, *Sit Down and Shut Up*, Brad tackles one of the great works of Zen literature, the *Shobogenzo*, by thirteenth-century Zen master Dogen.

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death

Illuminating Dogen's enigmatic teachings in plain language, Brad intertwines musings on sex, meditation, death, God, sin, and happiness with an exploration of the punk rock ethos. In chapters such as "Evil Is Stupid," "Kill Your Anger," and "Enlightenment Is for Sissies," Brad melds the antiauthoritarianism of punk with that of Zen, mixing in a travelogue of his triumphant return to Ohio to play in a reunion concert of Akron punk bands. For those drawn to Buddhist teachings but scared off by their stiff austerity, Brad writes with a sharp smack of truth, in teachings and stories that

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death Divorce And Spirituality Search Of The True Dharma Brad Warner

With his one-of-a kind blend of autobiography, pop culture, and plainspoken Buddhism, Brad Warner explores an A-to-Z of sexual topics – from masturbation to dating, gender identity to pornography. In addition to approaching sexuality from a Buddhist perspective, he looks at Buddhism – emptiness, compassion, karma – from a sexual vantage. Throughout, he stares down the tough questions: Can prostitution be a right livelihood? Can a good spiritual master also be really, really bad? And ultimately, what's

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death

love got to do with any of it? While no puritan when it comes to non-vanilla sexuality, Warner offers a conscious approach to sexual ethics and intimacy – real-world wisdom for our times.

Vol. 2 of Brad Warner's Radical but Reverent Paraphrasing of Dogen's Treasury of the True Dharma Eye In Japan in 1253, one of the great thinkers of his time died – and the world barely noticed. That man was the Zen monk Eihei Dogen. For centuries his main work, Shobogenzo, languished in obscurity, locked away in remote monasteries until scholars

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death

rediscovered it in the twentieth century. What took so long? In Brad Warner's view, Dogen was too ahead of his time to find an appreciative audience. To bring Dogen's work to a bigger readership, Warner began paraphrasing Shobogenzo, recasting it in simple, everyday language. The first part of this project resulted in Don't Be a Jerk, and now Warner presents this second volume, It Came from Beyond Zen! Once again, Warner uses wry humor and incisive commentary to bridge the gap between past and present, making Dogen's words clearer and more relevant than ever before.

Can you be an atheist and still believe in God? Can you be a true believer and still doubt? Can Zen give us a way past our constant fighting about God? Brad Warner was initially interested in Buddhism because he wanted to find God, but Buddhism is usually thought of as godless. In the three decades since Warner began studying Zen, he has grappled with paradoxical questions about God and managed to come up with some answers. In this fascinating search for a way beyond the usual arguments between fundamentalists and skeptics, Warner offers a profoundly engaging

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death and idiosyncratic take on the ineffable power of the “ground of all being.”

Author Brad Warner (Hardcore Zen, Sit Down and Shut Up, Zen Wrapped in Karma Dipped in Chocolate, and Sex, Sin, and Zen) revisits seventeen of his earlier essays on topics ranging from vegetarianism to punk rock, working for Japanese monster movie makers, and the art of Zen writing, complete with all-new analyses, introduction and afterword.

True Dharma Brad Warner

This new translation and commentary of ancient Buddhist text by a best-selling author and teacher transcends idealism and materialism.

The Shōbōgenzō (The Treasury of the True Dharma Eye) is a revered eight-hundred-year-old Zen Buddhism classic written by the Japanese monk Eihei Dōgen. Despite the timeless wisdom of his teachings, many consider the book difficult to understand and daunting to read. In Don't Be a Jerk, Zen

Bookmark File PDF Zen Wrapped In Karma Dipped Chocolate A Trip Through Death

priest and bestselling author Brad Warner, through accessible paraphrasing and incisive commentary, applies Dōgen's teachings to modern times. While entertaining and sometimes irreverent, Warner is also an astute scholar who sees in Dōgen very modern psychological concepts, as well as insights on such topics as feminism and reincarnation. Warner even shows that Dōgen offered a "Middle Way" in the currently raging debate between science and religion. For curious readers worried that Dōgen's teachings are too philosophically opaque, *Don't Be a Jerk* is hilarious, understandable, and wise.
