Turn your old bandanas into stylish new creations with these 21 fast, fun and easy-to-complete crafting projects for kids ages 8 and up. Full of inspiration for crafty kids, Bandana-rama shows how the classic bandana is also the ideal crafting material. Here you will find twenty-one easy inventive crafting projects that are easy for kids of all experience levels to complete. From headbands, belts, and hoodies, to pillows, guitar straps, and hoodie linings, all the projects can be achieved by hand sewing, machine sewing, or in some cases, by simply using scissors and glue. Since bandanas are prehemmed, they cut down on time spent sewing borders and following stitching lines. As a result, there's more time for kids to explore their creativity and come up with a style that's all their own.

With fuel costs and parking charges it's no wonder the consumer is looking for less expensive forms of travel. This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.

Sometimes called the forgotten BMW, the first generation 3 Series has a rising band following of loyal fans. Amy was a widow with three very young children. For a long time she had been looking for a house cheap enough for her to buy, as she wanted a good home for her children. At last a woman made her an offer of a house that was just about perfect for Amy's needs, at a price that she could afford, but it had to be purchased in a hurry. The day that Amy and her children moved in she had to face problems that she had never imagined. The more that she worried desperately trying to put thing right the deeper she fell into a bottomless pit.
